The information requested herein is due within ten days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Petitioners shall make timely amendment to any prior response if they obtain information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Petitioners fail or refuse to furnish all or part of the requested information, they shall provide a written explanation of the specific grounds for their failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Petitioners shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide a copy of the certified topographic quadrant map that (1) covers the property at 263 Meeting House Road, West Liberty, Morgan County, Kentucky, (2) includes the proposed service territorial boundary changes and GPS coordinates that define the new territorial boundary, and (3) is signed by representatives of the Petitioners.

2. Provide the average cost to replace the conductor that serves the two accounts (a residence and garage) located at 263 Meeting House Road.

3. Provide the number of times the conductor that serves 263 Meeting House Road has been stolen or tampered with, and thus disrupted service to that address in the past five years.
