CASE NO.

NOTICE OF FILING OF PROOF OF PUBLICATION

-and-

MOTION FOR LIMITED DEVIATION FROM NOTICE REQUIREMENTS

Comes now Jackson Purchase Energy Corporation (“JPEC”), by and through counsel, and hereby: (1) provides notice of its filing of proof of publication¹ with respect to the public notice of the formal hearing scheduled for November 9, 2016, at 9:00 a.m. in the above-captioned proceeding (the “Formal Hearing”); and (2) moves the Kentucky Public Service Commission (“Commission”), pursuant to 807 KAR 5:001 Section 22, for a limited deviation from the requirements governing the publication of notice with respect to the Formal Hearing. In support of this filing, JPEC states as follows:

1. Pursuant to 807 KAR 5:001 Section 9(2) and the Commission’s Order entered herein on August 12, 2016, JPEC was required to publish notice of the Formal Hearing “no less than seven days [n]or more than 21 days prior” thereto.

2. JPEC caused notice of the Formal Hearing to be published in the following newspapers of general circulation in its service areas:

¹ Affidavits of publication and accompanying newspaper tear sheets are attached hereto collectively as **Exhibit A**.

The Advance Yeoman

The Marshall County Tribune-Courier

The Carlisle County News

The Paducah Sun

The Livingston Ledger

The Mayfield Messenger

3. With the exception of *The Livingston Ledger*, each of the above-references newspapers published notice of the Formal Hearing between October 31, 2016, and November 2, 2016, in full compliance with applicable regulation and the Commission's August 12th Order. Notice of the Formal Hearing was published in *The Livingston Ledger* on November 3, 2016, one day later than required.

4. JPEC respectfully requests that the Commission permit a limited deviation from the notice requirements heretofore described as they pertain to the notice published in *The Livingston Ledger*. Through oversight, inadvertence, and/or excusable neglect, JPEC mistakenly anticipated it could publish notice in *The Livingston Ledger* on November 2, 2016, like in certain of its sister publications also distributed by Kentucky Publishing, Inc. (*i.e.*, *The Advance Yeoman* and *The Carlisle County News*). However, applicable print deadlines for the weekly newspaper, coupled with recent staffing changes at JPEC, resulted in publication of the notice the following day.

5. JPEC attempted in good faith to publish its notice in accordance with applicable regulation and the Commission's August 12th Order, and it has substantially complied with all directives related to notice of the Formal Hearing. Although the notice published in *The Livingston Ledger* was regrettably delinquent by one (1) day, notice has been provided within a reasonable time prior to the Formal Hearing and no prejudice will result if the relief requested herein is afforded to JPEC. For these reasons, JPEC requests that the Commission find good cause and grant a limited deviation pursuant to 807 KAR 5:001 Section 22.

WHEREFORE, JPEC respectfully requests that the Commission enter an Order granting a limited deviation as described herein.

This 7th day of November, 2016.

Respectfully submitted,

Mark David Goss
