RE: Case No. 2016-00260
East Kentucky Network: Robinson Forest Tower

Dear Mr. Hays,

This is in response to your letter dated January 2, 2017, and our telephone conversation of January 9, 2017. In our conversation, I confirmed that your property is *not* within 500 feet of the proposed cell tower site. Instead, you were given notice as required by regulation because your property is contiguous to the very large tract of property on which East Kentucky Network, LLC ("EKN") proposes to construct a cell tower. As we discussed, based on the PVA records, it appears that your property is over 1 mile from the proposed tower site.

Based on this clarification, it is my understanding that you do not have any objection to lodge in this matter, and that you have authorized me to notify the Kentucky Public Service Commission accordingly.

It was a pleasure speaking with you. If you have any other questions or concerns, please do not hesitate to contact me.

Very truly yours,
