COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION TO  
KENTUCKY POWER COMPANY

Kentucky Power Company ("Kentucky Power"), pursuant to 807 KAR 5:001, is to file with the Commission the original and six copies in paper medium and an electronic version of the following information. The information requested herein is due on or before October 24, 2016. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be

accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Kentucky Power shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Kentucky Power fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a document containing personal information, Kentucky Power shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Staff's Initial Request for Information ("Staff's Initial Request"), Item 4.

- a. Refer to Kentucky Power's Response to Item 4.b. Kentucky Power responded that the error was due to the incorrect transposition of 2014 program-to-date

data and provided the revised Status Report. The referenced revised Status Report is for January–December 2015 and January–June 2016. Provide the revised 2014 report.

b. Refer to Attachment 4, page 3 of 72. Year to date (“YTD”) Total Lost Revenues is reported as \$2,026,303. In the application, Exhibit 3, page 3 of 72 YTD Total Lost Revenues is reported to be \$2,041,272.

(1) Confirm that this difference is a result of a change in YTD Lost Revenues for the Residential Efficient Products Program from \$839,802 in the application to \$824,833 in the revision.

(2) If such is confirmed, explain why Lost Revenues changed for the Residential Efficient Products Program.

(3) If such is not confirmed, reconcile this difference.

c. Refer to Attachment 4, page 38 of 72. YTD Total Lost Revenues is reported as \$1,827,564. In the application, Exhibit 3, page 38 of 72, YTD Total Lost Revenues is reported to be \$1,838,723.

(1) Confirm that this difference is a result of a change in YTD Lost Revenues for the Residential Efficient Products Program from \$695,036 in the application to \$683,567 in the revision.

(2) If such is confirmed, explain why Lost Revenues changed for the Residential Efficient Products Program.

(3) If such is not confirmed, reconcile this difference.

2. Refer to Staff’s Initial Request, Item 7.b. For each state with active DSM programs with participants classified as industrial, provide the number of participants per program, and state how DSM costs and lost revenues are collected. If costs are

collected through an Industrial DSM surcharge or rider, provide the amount of such surcharges.
