Re: *In the Matter of: Application of Big Rivers Electric  
Corporation for Approval of Amendment to Stipulation  
and Recommendation*  
Case No. 2016-00286

Dear Dr. Mathews:

A telephonic informal conference was held in this matter on Friday, August 26, 2016. At that informal conference, the Public Service Commission Staff noted that the signature page for Kentucky Industrial Utility Customers, Inc. on the Amendment to Stipulation and Recommendation that is the subject of this proceeding was signed on the wrong line. Enclosed are an original and ten (10) copies of a new signature page for Kentucky Industrial Utility Customers, Inc. which should be substituted for the original signature page.

There are no other parties to this proceeding, and therefore, Big Rivers has not served this letter on any other parties. Please call if you have any questions.

Sincerely,

Tyson Kamuf  
Counsel for Big Rivers Electric Corporation
