RE: Kentucky Rural Water Finance Corporation Public Projects Refunding Revenue Bonds, Series 2015 B

Dear Donta:

The purpose of this summary letter is to confirm and itemize the proceeds Wood Creek Water District's (the "District") \$2,780,000 loan through the Kentucky Rural Water Finance Corporation and to outline the procedure on how to make future bond payments.

Project and Loan Sizing

This loan was issued to refund the Commission's Rural Development Bonds outlined below. The component costs funded by the loan are itemized below:

| Payoff of the Prior Bonds: | \$2,779,861.89 |
|------------------------------|-----------------|
| Underwriting Expenses: | 36,754.00 |
| Cost of Issuance Expenses: | 46,700.00 |
| Reoffering Premium | (36,043.15) |
| Sinking Fund transfer | (9,257.30) |
| Funds in Accounts at Regions | (43,099.69) |
| Rounding Amount: | <u>2,084.25</u> |
| Loan Amount: | \$2,780,000.00 |

The transaction will close on February 19th, and a check will be cut and overnighted to the London Area Rural Development ("RD") office for receipt by February 23rd. On that date, the prior RD bonds will be fully defeased. In addition, a Notice to Bondholders will be sent for your Kentucky Rural Water Series 2003 A, 2003 C and 2004 A loans on that date as well. Those bonds will be defeased as of March 23rd, after the 30 day notice period is complete. A listing of the payoffs for each bond issue is below:

| | Principal | Interest | Total |
|---------------|-------------|------------|---------------------|
| Series 1977 | \$55,000 | \$399.31 | \$55,399.31 |
| Series 1999 | \$1,178,000 | \$7,193.31 | \$1,185,193.31 |
| Series 2003 | \$372,000 | \$2,700.83 | \$374,700.83 |
| Series 2003 A | \$183,000 | \$1,204.05 | <u>\$184,204.05</u> |
| Total: | | | \$2,799,861.89 |

As of the February 19th date, I calculate that you will have \$9,275.30 in sinking funds associated with the prior RD bonds. These proceeds represent the 1/6th of interest and 1/12th of principal deposits required by your existing bond documents. Regions Bank will need to receive the sinking funds associated with the prior bonds by 5:00 pm on February 17th in order for us to close the bond issue on February 19th. The wire instructions are:

The bond rounding of \$2.084.25 will be placed in an interest-bearing account in the name of the Commission which is managed by the program trustee, Regions Bank in Nashville, Tennessee. It will be the same account that your sinking funds will flow into. The Trustee will handle payment of all issuance expenses.

Making Loan Payments

A semi-annual payment schedule is enclosed. Regions Bank will automatically withdraw the amount of your sinking fund payment as set forth in your loan agreement (1/12 of principal and 1/6 of interest) ten days prior to the start of each month. The amount listed in the column titled "Total Monthly Sinking Fund Payments" is the amount that will be withdrawn on the 20th of each month for the six-month period listed to the left. Please note that \$28,014.06 will be withdrawn on March 20th from your account for the April 1st first regular sinking fund payment on your loan. Additionally, \$450 will also be billed annually on February 1st for Region's trustee fee.

Please find a form attached that will need to be filled out to allow Regions Bank to automatically debit your account each month for the amount of your sinking fund payment requirement. Please fill out this form and return it to me or Melissa as soon as possible, by email or mail as soon as possible.

Bookkeeping Requirements

The Sales Resolution and other documents associated with this loan require the Commission to maintain one local account necessary to manage funds associated with this transaction. A new account **does not** need to be established, but one account must be designated for the purpose described. This is a long-term account established to pay principal and interest on the loan for the life of the issue. It is from this account that Regions Bank will automatically withdraw (ACH Debit Direct Payment) your sinking fund payments. Again, this does not need to be a new account, but should be designated as an account for the monthly payments to be withdrawn from. If there are any changes to this account, please inform us as soon as possible so that we can have Regions Bank update the information.

Annual Reports

Under the Assistance Agreement, you have agreed to provide audited financial statements and other financial information as requested within 120 days of the completion of a fiscal year. This is a requirement that Standard and Poor's imposes on Kentucky Rural Water Finance Corporation's program.

On behalf of the finance team and the Kentucky Rural Water Association, we appreciate your support of the Kentucky Rural Water Finance Corporation. Please feel free to call me with any questions that you have. I can be reached directly at 859-232-8249, and toll-free at 800-937-0160.
