Re: **Case No. 2016-00346**

Dear Ms. Mathews:

Kentucky Rural Water Association was scheduled to provide a training session for Oldham County Water District on October 11, 2016. This session was to be held at the Oldham County Water District office in LaGrange, Kentucky. Unfortunately, this session has been cancelled.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission for their time in reviewing this class for continuing education credit for water district commissioners.

Sincerely,

Janet Cole
Education Coordinator
