Re: North Mercer Water District PSC Application
Dear Ms. Mathews:
Enclosed please find the original and ten (10) copies of the Application of the North Mercer Water District for an Order authorizing the District to issue securities pursuant to KRS 278.300.

Please be advised that the District is requesting the Commission to expedite this Application and issue the approving Order as soon as possible due to the fact that an upward shift in the current interest rate market could negate any interest cost savings to the District.

Thank you for your assistance and if you need any additional information or documentation, please let us know.

Sincerely,
Rubin \& Hays

The District is now, and has been since its inception, regulated by the Commission, and
all records and proceedings of the Commission with reference to the District are incorporated in this Application by reference. The District does not have any Articles of Incorporation due to the fact that it is a statutory entity.
2. The governing body of the District is its Board of Commissioners which is a public body corporate, with power to make contracts in furtherance of its lawful and proper purpose as provided for in KRS 74.070 and all applicable law and regulations.

Telephone: (859) 865-2292
Fax: (859) 865-4572

4. A general description of the District's water system property, together with a statement of the original cost, is contained in the District's Annual Report for 2015 which is on file with the Commission. The Annual Report is incorporated herein by reference.
5. The District proposes to borrow funds from the Kentucky Rural Water Finance Corporation ("KRWFC") pursuant to an Assistance Agreement (the "KRWFC Loan"), in the estimated principal amount of $\$ 1,890,000$ (subject to adjustment of up to $10 \%$ ) for the purpose of refunding the outstanding revenue bonds designated as (i) North Mercer Water District Waterworks Revenue Bonds of 1994 in the original principal amount of $\$ 439,000$, dated February 7, 1995 and bearing interest at the rate of $4.50 \%$ per annum (the " 1994 Bonds"); (ii) North Mercer Water District Waterworks Revenue Bonds, Series 1996, dated January 9, 1997, in the original principal amount of $\$ 433,000$, bearing interest at the rate of $5.50 \%$ per annum (the "1996 Bonds"); and (iii) North

Mercer Water District Waterworks Revenue Bonds, Series 2003, dated May 12, 2004, in the original principal amount of $\$ 1,450,000$, bearing interest at the rate of $4.375 \%$ per annum (the "2003 Bonds")(hereinafter, the 1994 Bonds, the 1996 Bonds and the 2003 Bonds shall be collectively referred to as the "Prior Bonds"). The Prior Bonds are held by the U.S. Department of Agriculture, acting through Rural Development.
6. The estimated debt service for the KRWFC Loan is shown in Exhibit A which is attached hereto and incorporated herein by reference. The debt service schedule and estimated interest rates are subject to change because of market conditions. The final terms and details of the KRWFC Loan may vary from the present assumptions based upon market conditions and other business judgment factors.
7. The KRWFC Loan will provide the District with the funds necessary to (i) refund the Prior Bonds; and (iii) pay the fees and expenses incident to the issuance of the KRWFC Loan.
8. The Sources and Uses of Funds to be obtained from the issuance of the KRWFC Loan are detailed as Exhibit B, which is attached hereto and incorporated herein by reference.
9. It is anticipated that the proposed refinancing will result in a net present value cashflow savings of approximately $\$ 298,021.13$. These savings are shown on the Debt Service Comparison, which is attached hereto and incorporated herein by reference as Exhibit C.
10. The final principal amount of the KRWFC Loan will be adjusted based upon final interest rates which will be known on or about the date of sale of the proposed KRWFC Loan. Final financial figures will be submitted to the Commission in a timely manner. The Applicant will not issue the securities if interest rates in the bond market shift to a point where the Applicant will not achieve any debt service savings.
11. The Debt Service Schedule of the outstanding Prior Bonds being refunded is set forth

## in Exhibit D.

12. The District represents that the KRWFC Loan is in the public interest and is intended to accomplish the purpose of strengthening the financial condition of the District by producing substantial debt service savings. This is a lawful object within the corporate purposes of the District's utility operations. The KRWFC Loan is necessary, appropriate for, and consistent with the proper performance by the District of its service to the public and will not impair its ability to perform that service.
13. The District represents that it will, as soon as reasonably possible after the closing of the KRWFC Loan, file with the Commission a statement setting forth the date of issuance of the KRWFC Loan, the price paid, the fees and expenses incurred in the issuance of the KRWFC Loan, and the terms and interest rates of the KRWFC Loan.

(i) Section $12(1)(b)$ : The District states that it had less than $\$ 5,000,000$ in gross annual revenue in the immediate past calendar year and that no material changes to the District's financial condition have occurred since the end of
the twelve (12) month period contained in the District's most recent annual report on file with the Commission.

WHEREFORE, the District respectfully requests that the Commission take the following actions:

1. Authorize the issuance of the securities requested in the Application;
