Re: North Mercer Water District PSC Application

Dear Ms. Mathews:

Enclosed please find the original and ten (10) copies of the Application of the North Mercer Water District for an Order authorizing the District to issue securities pursuant to KRS 278.300. 2016-355

Please be advised that the District is requesting the Commission to expedite this Application and issue the approving Order as soon as possible due to the fact that an upward shift in the current interest rate market could negate any interest cost savings to the District.

Thank you for your assistance and if you need any additional information or documentation, please let us know.

Sincerely,

Rubin & Hays
