In the Matter of:

**APPLICATION OF THE NOLIN) CASE NO. 2016-00367
RURAL ELECTRIC COOPERATIVE)
CORPORATION FOR AN ADJUSTMENT)
OF EXISTING RATES)**

MOTION FOR EXTENSION OF TIME

Comes Nolin Rural Electric Cooperative Corporation (hereinafter referred to as "Nolin RECC") by counsel, and moves the Kentucky Public Service Commission ("Commission") for a brief, ten (10) day extension of time in which to respond to data requests in the above-captioned case, both from the Commission staff and from the Office of the Attorney General. In support of said Motion, Nolin RECC respectfully states as follows:

The data request from the Commission staff encompass 35 questions, and with subparts added to those questions, constitute a total 143 inquiries. In addition, the data request from the Attorney General's staff add another 58 questions, and although Nolin RECC has worked diligently on answering those questions, it may need additional time beyond the scheduled due date of February 7th to file its responses. Granting this Motion for an Extension of Time will not result in prejudice to any party in this case. Therefore, Nolin RECC is requesting the extension so that the responses will be due on Friday, February 17, 2017.

Wherefore, Nolin RECC respectfully moves the Commission to grant it an additional ten (10) days until February 17, 2017 in which to tender its responses to the Commission's January 24, 2017 data request and the Attorney General's January 24, 2017 data request.

Respectfully submitted this 2nd day of February, 2017
