Mr. Scott,

Commission Staff served its second request for information today. Item 16 requests Nolin RECC to provide certain information in an Excel Workbook, and refers to example worksheets as being attached to the information requests. The worksheets, however, were not attached. This omission will be corrected and the sample worksheets will be filed into the record.

Also, attached in electronic format (.xlsx) is the Excel spreadsheet format that Nolin should use to provide the information requested in Item 16.

Please let me know if you have any questions.

Regards.
