RE: Sentra Corporation
Case No. 2016-00384 - Filing Deficiencies

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

- (1) 807 KAR 5:076: Section 5(4) – Does notice of proposed rate adjustment meet regulatory requirements? Incorrect statement of rates. Current Gas Cost Per Mcf Rate listed is a previous rate that was effective prior to September 22, 2016. Both current and proposed Gas Cost Per Mcf Rates should be the \$3.8612 rate approved by the Commission as of 11/2. Proposed Increase and Impact on Average Customer Bill must be revised accordingly.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned required information is filed with the Commission. You are requested to file this information within 10 days of the date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

A handwritten signature in cursive script that reads "Talina R. Mathews".
