Case No. 2016- 00410

APPLICATION

Comes now Jackson Purchase Energy Corporation (“JPEC”), by counsel, pursuant to KRS 278.300, 807 KAR 5:001 Sections 8, 12, 14, and 18, and other applicable statues and regulations, and respectfully submits this Application for authorization from the Kentucky Public Service Commission (“Commission”) to borrow approximately \$18,844,470.27 from National Rural Utilities Cooperative Finance Coporation (“CFC”) and to use these funds to prepay debt owing to the Rural Utilities Service (“RUS”) in virtually the same amount. Due to the time-sensitive nature of the proposed refinancing, JPEC requests a ruling from the Commission on or before December 23, 2016. In support of its Application, JPEC states as follows:

1. JPEC is a nonprofit rural electric cooperative organized under KRS Chapter 279 and is engaged in the business of distributing retail electric power to member-owners located in the Kentucky counties of Ballard, Carlisle, Graves, Livingston, Marshall and McCracken.
