BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF WEST MCCRACKEN)	
COUNTY WATER DISTRICT TO REVISE ITS)	CASE NO.
METER CONNECTION CHARGE)	2017-00122

COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO WEST MCCRACKEN COUNTY WATER DISTRICT

The West McCracken County Water District ("West McCracken"), pursuant to 807 KAR 5:001, is to file with the Commission the original and ten copies of the following information, with a copy to all parties of record. The information requested herein is due within 14 days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

West McCracken shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

West McCracken fails or refuses to furnish all or part of the requested information, West McCracken shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, West McCracken shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. By year, for the years 2007 through 2016, provide a list of all meter connections installed by West McCracken for each year since 2007.

a. For each meter connection, state whether the connection was a short-side or long-side connection.

b. For each meter connection, state the type of road (for example, State, County, residential, four-lane, two-lane marked, two-lane unmarked, etc.) associated with the location and connection of the meter.

c. For each meter connection, provide a copy of the work order.

2. Provide a legible map of West McCracken's system containing the location of each meter connection installed since January 1, 2007.

a. Include identifying road numbers and street names in sufficient detail to readily identify the location of each meter connection installed since January 1, 2007.
