

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF CITIPOWER, LLC FOR)	
A RATE ADJUSTMENT FOR SMALL UTILITIES)	CASE NO.
PURSUANT TO 807 KAR 5:076)	2017-00160

ORDER

This matter arises on the motion of Citipower, LLC for an extension of time to submit information to cure filing deficiencies. On March 31, 2017, Citipower tendered an application for a rate increase pursuant to 807 KAR 5:076. By letter dated April 11, 2017, the application was rejected for filing, by reason of two filing deficiencies, one pursuant to 807 KAR 5:07, Section 4(1)(a), regarding persons authorized to sign the application, and one pursuant to 807 KAR 5:076, Section 5(4), regarding customer notice of the proposed rates. Citipower was directed to submit the information necessary to cure the deficiencies within ten days of the date of the letter. On April 20, 2017, Citipower filed its motion requesting a seven-day extension of time until April 28, 2017, to submit the information necessary to cure the deficiencies.

As a basis for its request, Citipower states that it must provide its customers with a revised notice regarding the amount of the average customer bill under the proposed rates in order to cure one of the filing deficiencies. Citipower proposes to include the revised customer notice with the April natural gas bills, which will be mailed by April 28, 2017, thus avoiding the additional rate case expense of a separate mailing. The seven-day extension of time will permit Citipower to provide notice to its customers and to cure the filing deficiencies.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Citipower's motion for a seven-day extension of time until April 28, 2017, should be granted.

IT IS THEREFORE ORDERED that:

1. Citipower's motion for an extension of time is granted.
2. Citipower is granted a seven-day extension, up to and including April 28, 2017, to submit the information necessary to cure the filing deficiencies cited in the April 11, 2017 letter.

By the Commission
