Re: Case No. 2017-00029

Dear Ms. Mathews:

Atmos Energy Corporation hereby requests a waiver of the 30 day notice required by KRS 278.180 for the implementation of the new rates contained in the Company's most recent GCA filing (Case No.2017-00029). Atmos Energy Corporation mailed the GCA filing by certified mail on December 29, 2016, requesting an effective date of February 1, 2017 for its first billing cycle. However, due to the holidays it was not received by the Commission until January 3, 2017. Atmos Energy Corporation hereby requests a shortened notice requirement as allowed under KRS 278.180(1) so the new rates can be implemented on February 1, 2017.

Thank you for your consideration of this matter.

If you have any questions or concerns, feel free to call me at 972-855-3077 or by e-mail at stellie.jackson@atmosenergy.com.

Sincerely,
