re: Withdrawal of Authorization to Provide Service in the Commonwealth of
Kentucky.

Dear Sir/Madam:

I am writing on behalf of my client, Pix Wireless, LLC (Utility ID: 4109450), to inform you that Pix Wireless desires to withdraw its authorization to provide service in Kentucky.

Pix Wireless does not provide currently and has not provided in the past service in Kentucky. It has no customers, and has never generated any revenues.

On February 17, 2017, the Public Service Commission issued an order in Case No. 2017-00034 regarding the failure of certain non-dominant telecommunications providers to file reports required pursuant to KRS 278.140. As ordered by the Commission, each utility "shall show cause, by written response, why it should not be subject to the penalties prescribed in KRS 278.990(1) for failure to comply with KRS 278.140." This letter serves as the written response to the Commission's order.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Mark A. Ozanick, Consultant
Authorized Representative for
Pix Wireless, LLC

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION OF THE FAILURE)
OF CERTAIN NON-DOMINANT)
TELECOMMUNICATIONS PROVIDERS) CASE NO. 2017-00034
TO FILE REPORTS REQUIRED)
PURSUANT TO KRS 278.140)

ORDER

The Commission hereby serves notice upon certain non-dominant telecommunications providers who are registered to provide service in Kentucky, whose names and last-known addresses appear on the Appendix attached hereto, that they shall, within 30 days of the date of this Order, show cause why their authority to operate in this Commonwealth should not be revoked for failure to comply with KRS 278.140.

KRS 278.140 requires each utility to file, on or before March 31 of each year, a report of its gross earnings or receipts derived from intrastate business for the preceding calendar year. Based upon these reports, the Commission certifies to the Revenue Cabinet and the Finance and Administration Cabinet the intrastate revenue so collected.¹ The Revenue Cabinet then, for the purpose of maintaining the Commission, assesses each utility in proportion to its receipts for intrastate business for the preceding calendar year.² KRS 278.990(1) provides for penalties for failure to file the reports required by KRS 278.140.

¹ KRS 278.150

² KRS 278.130

The utilities listed in the Appendix to this Order have not submitted their reports of gross earnings. Several carriers, as noted in the Appendix, have not submitted their reports for multiple calendar years. Accordingly, it appears that they are subject to the penalties enumerated in KRS 278.990(1). However, it is not clear that these carriers are actively providing service in the Commonwealth. By this Order the Commission is providing an alternative for carriers that have ceased providing service in Kentucky to have their authority to provide service be revoked rather than responding to the merits of this show cause proceeding and the possible assessment of penalties.

Telecommunications is competitive, and regulatory oversight of such carriers is minimal. The Commission no longer issues a certificate for initial operations of non-dominant telecommunications carriers.³ Each carrier simply supplies necessary information regarding its corporate structure, and provides the name and address of its contact person for regulatory purposes.⁴ Few carriers maintain an office in Kentucky and few are active in this state, despite their stated intent to do business here. Nevertheless the carriers are responsible for complying with statutory and regulatory requirements that continue to apply, including KRS 278.130 and KRS 278.140.

Based on the foregoing, the Commission concludes that the public interest would be served best by sending this Order, by certified mail, to the regulatory contact person submitted pursuant to KRS 278.542(2) by each of the utilities listed in the Appendix, putting each utility on notice that it must show cause to this Commission within 30 days from the date of this Order why it should not be subject to the penalties prescribed in

³ See KRS 278.541-544. See also PSC Administrative Case No. 359, *Exemptions for Interexchange Carriers, Long Distance Resellers, Operator Service Providers and Customer-Owned, Coin-Operated Telephones* (Ky. PSC June 21, 1996); PSC Administrative Case No. 370, *Exemptions for Providers of Local Exchange Service Other Than Incumbent Local Exchange Carriers* (Ky. PSC Jan. 8, 1998).

⁴ KRS 278.542(2).

KRS 278.990(1) for failure to comply with KRS 278.140. In the absence of a timely response to this Order, each carrier's authorization to provide service in Kentucky will be revoked, its tariff, if it maintains one on file with the Commission, will be removed from the Commission's files; and its name will be stricken from the Commission's list of active utilities. At that time any customer it currently serves should be notified that the utility no longer provides service in Kentucky and that the customer must obtain service from another carrier.

IT IS THEREFORE ORDERED that:

1. Within 30 days of the date of this Order, each utility listed in the Appendix attached hereto and incorporated herein shall show cause, by written response, why it should not be subject to the penalties prescribed in KRS 278.990(1) for failure to comply with KRS 278.140.

2. In the absence of a timely written response, each utility's authorization to provide service shall be revoked, its tariff, if applicable, shall be removed from the Commission's files, and its name shall be stricken from the Commission's list of active utilities.

By the Commission

ATTEST:

Executive Director
