PUBLIC SERVICE
COMMISSION

Case # 2017-00045
Attention: John S. Lyons
1) State whether Garden Heights is
providing sewer service to any
customers.

— No.

2) If Garden Heights is no longer
providing sewer service (a) provide
a date upon which Garden Heights
ceased providing sewer service.
— May 8, 2017.

b) Identify the entity that
currently provides
— Regional Water Resource Agency

c) Provide amount of compensation,
if any, Garden Heights received to
transfer customer.
— None

d) Provide any agreements or other documents by or that Garden Heights agreed to transfer customers.

_____ None

e) State whether Garden Heights transferred its facilities to another entity.

_____ No

f) In absence of transfer of facilities, explain what will happen to Garden Heights facilities if no longer providing sewer service.

_____ The sewage in plants was hauled and pumped into RWRA system. The plants are concrete, walls will be pushed in

3) State whether it is the intention of Garden Heights to no longer provide utility service

in Kentucky nor be registered
as a utility with the Commission
—— Yes I will no longer
provide service in Kentucky or
no where else. I will no
longer be registered as a
utility.

Sincerely
John L. Lewis, President

Lewis Sanitation Co, Inc.
