

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF SOUTH)	
CENTRAL RURAL TELEPHONE COOPERATIVE)	CASE NO. 2017-00092
CORPORATION, INC. FOR A GENERAL)	
ADJUSTMENT IN RATES)	

ORDER

On May 1, 2017, South Central Rural Telephone Cooperative Corporation, Inc. ("South Central") moved, pursuant to 807 KAR 5:001, Section 13, and KRS 61.878, that certain materials filed with the Commission be afforded confidential treatment and not be placed in the public record subject to public inspection.

In support of its petition, South Central states that the information it is requesting to be held confidential is contained in attachments to its application. The information is more particularly described as: portions of Exhibit 1 related to the revenue changes due to adjustment of terminating access rates pursuant to Federal Communications Commission requirements; the entirety of Exhibit 1, Attachment B and Attachment C, that details subscriber line data and service usage information. South Central further states that the disclosure of the information for which confidential treatment is requested could result in a competitive disadvantage to South Central. South Central requests that the information for which confidential treatment is requested remain confidential for a period of five years.

Having carefully considered the petition and the materials at issue, the Commission finds that:

1. The materials for which South Central seeks confidential treatment are records that are generally recognized as confidential or proprietary, and which, if openly disclosed, would permit an unfair commercial advantage to competitors, and therefore meet the criteria for confidential treatment and are exempted from public disclosure pursuant to KRS 61.878(1)(c)(1) and 807 KAR 5:001, Section 13.

2. The materials for which South Central seeks confidential treatment should not be placed in the public record or made available for public inspection for a period of five years from the date of this Order.

IT IS THEREFORE ORDERED that:

1. South Central's motion for confidential protection is granted under the exemption of KRS 61.878(1)(c)(1).

2. The materials for which South Central seeks confidential treatment shall not be placed in the public record or made available for public inspection for a period of five years from the date of this Order, or until further Orders of this Commission. At the end of this period, the materials shall be placed in the public record.

3. Use of the materials in question in any proceeding shall be in compliance with 807 KAR 5:001, Section 13(9).

4. South Central shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment.

5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, South Central shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If South

Central is unable to make such demonstration, the requested materials shall be made available for inspection.

6. The Commission shall not make the requested materials available for inspection for 20 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow South Central to seek a remedy afforded by law.

By the Commission
