**MOTION OF BASIL POLLIT FOR CONFIDENTIAL TREATMENT
OF MEDICAL RECORDS OF RESPONDENT, BASIL POLLITT**

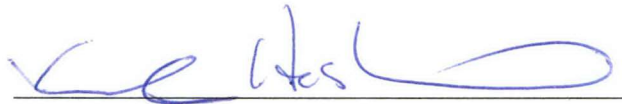

Comes the Respondent, Basil Pollitt, by counsel and per 807 KAR 5:001, Section 13, requests the Commission to classify as confidential and protect from disclosure certain materials (medical records) filed on his behalf. In support of this motion Pollitt states:

1. Per a conference held on 5-31-17 Pollitt, via the undersigned counsel, sought a continuance of a hearing scheduled that day. The basis for the motion was Pollitt's health as he is recuperating from the residuals of colon cancer. In support of the motion to continue Pollitt's medical records, contained on the undersigned's i-pad, were shown to the Commission and opposing counsel. Thereafter the motion was granted. In an effort to make the record complete it was suggested that Pollitt file the medical records under seal.

2. Per the Kentucky Open Records Act personal information is exempted from disclosure. KRS 61.878 (1) (a). Because medical records are uniquely private and the disclosure of which would serve no public purpose intended by the Act. Accordingly, the exemption applies.

3. The medical records consisting of 62 pages are attached hereto in a sealed manilla envelope.

WHEREFORE Pollitt moves the Commission to classify as confidential and protect Pollitt's medical records and to keep same in their current sealed condition.
