**Subject:** Fwd: Meter Set and Bore Pricing

Daniel,

I am forwarding a quote we received from another contractor. He quoted short and long side meter installations and boring cost. His prices are notably higher than our existing contractor. Please take this into consideration on our case. We have requested more quotes but have not had a response yet. If and when I receive other quotes I will forward those as well.

Thank you,

Sheila Mansfield

**Subject:** Meter Set and Bore Pricing

Kim,

Murtco proposes the following prices for meter sets and directional boring.

SHORT SIDE - 5/8" or 1" tap on PVC main and dig/construct meter setting – UNIT PRICE: **\$ 1,660.00 / EACH**

LONG SIDE - 5/8" or 1" tap on PVC main and dig/construct meter setting on opposite side of roadway – UNIT PRICE: **\$1,960.00 / EACH**

DIRECTIONAL BORING - 3/4" or 1" HDPE tubing under roadway (assuming 40' – 50' average) – UNIT PRICE: **\$45.00 / FOOT**

Note:

1. Above prices are for labor and equipment only. All materials furnished by West McCracken Water.
2. All permits for road crossings by West McCracken Water.
3. Above prices do not include cleanup of disturbed areas. Landscaping by others.

If you have any questions, please let me know.

Thanks,

*Keith Murt Jr.*
