APPLICATION

Kentucky Utilities Company ("KU"), pursuant to KRS 278.018(6) and 807 KAR 5:001 Section 14, hereby applies for approval of changes in its certified service territory as agreed with Blue Grass Energy ("Blue Grass").

1. The full name and mailing address of KU is: Kentucky Utilities Company, c/o Louisville Gas and Electric Company, Post Office Box 32010, 220 West Main Street, Louisville, Kentucky 40202. KU may be reached by electronic mail at the electronic mail addresses of its counsel set forth below.

2. KU was incorporated in Kentucky on August 17, 1912, and in Virginia on November 26, 1991 (and effective as of December 1, 1991). KU attests that it is in good standing in both Kentucky and Virginia.

3. KU is a public utility, as defined in KRS 278.010(3)(a), engaged in the electric business. KU generates and purchases electricity, and distributes and sells electricity at retail in the following counties in Central, Northern, Southeastern, and Western Kentucky:

4. Description of Changes in Service Territory: KU and Blue Grass have individually agreed to the requested territorial change. The territorial boundary change requested involves two parcels of land that include the properties of Larry Redmon and Scott Wells, both in Paris, Kentucky. KU will continue to serve the Wells' property and will provide new service to the Redmon property. This requested change will serve the purposes of KRS 278.016 by avoiding the

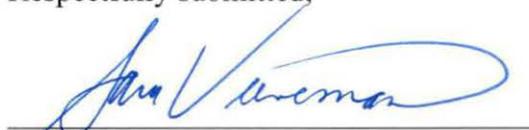

unnecessary encumbering of the landscape and the duplication of facilities, as well as minimizing disputes between retail electric suppliers. The territorial maps and attachments provided constitute the entire agreement between KU and Blue Grass.

5. Agreement and Maps: Attached as Application Exhibit 1 of this filing includes the summary list identifying KU and Blue Grass personnel familiar with the specifics of the facilities available, the reason for the change and purposes served under KRS 278.016, and copies of the territorial (quadrant) map, detail map, and agreement signed by both parties for the properties involved.

WHEREFORE, KU hereby requests, pursuant to KRS 278.018, that the Commission enter its order approving the service territory changes and Agreements allocating these electric consumers as agreed to by the parties. Due to the size and scale of the maps, KU requests the Commission to deviate from 807 KAR 5:001 Section 7 and permit KU to file only two complete set of maps.
