MOTION FOR EXTENSION OF TIME TO RESPOND TO DEFICIENCIES LETTER

The Applicant, Mountain Water District (the "District"), by Counsel, files this Motion for an Extension of Time to Respond to the Commission Staff's Filing Deficiencies Letter dated April 4, 2017.

The Commission Staff issued a filing deficiencies letter on April 4, 2017. Said deficiencies letter requested that the District cure the deficiencies within 10 days of the letter (April 14, 2017). The District's staff has been working diligently to compile the documentation necessary to cure the filing deficiencies. Unfortunately, additional time is needed to compile and assemble the response to the deficiencies.

Accordingly, the District, by Counsel, hereby moves the Commission to extend the time to cure the deficiencies to April 24, 2017. The District fully expects to cure the deficiencies on or before April 24, 2017.

Respectfully Submitted,

Rubin & Hays
