INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File No. 2017-00179

FROM: Nancy J. Vinsel, Staff Attorney

DATE: July 11, 2017

RE: Informal Conference of July 7, 2017

Pursuant to an electronic mail request by Kentucky Power Company ("Kentucky Power") and subsequent Staff Notice, a telephonic informal conference ("IC") was conducted at the Commission's offices in Frankfort, Kentucky on July 7, 2017. A list of attendees is attached.

The purpose of the IC was to discuss certain filing deficiencies in Kentucky Power's application for an adjustment of rates that were identified in a letter of deficiency dated July 6, 2017. During the IC, Commission Staff discussed the identified filing deficiencies in detail with Kentucky Power.

Concerning customer notices provided by newspaper publication, Kentucky Power asked whether the filing deficiencies would be cured when the supplemental notice correcting the notice deficiencies was filed with the Commission. Commission Staff noted that, assuming all other deficiencies were cured prior to that date, deeming the deficiency cured upon the first publication of the supplemental notices in a newspaper of general circulation in the utility's service area is consistent with 807 KAR 5:001, Section 17(2)(b)(3). Kentucky Power stated that, after discussing the publication schedule with the Kentucky Press Association, it expects to have the first publication of the supplemental notice completed on or by July 20, 2017.

Concerning tariffs that will be re-filed to correct deficiencies, Kentucky Power stated that it plans to use the same issue and effective dates on the corrected tariffs as on the original proposed tariffs. Commission Staff responded that the Commission would enter an order prior to the proposed effective date of July 29, 2017, suspending the tariffs pursuant to KRS 278.180 while the case is investigated, and thus the tariffs would not go into effect on the effective dates listed on the face of the tariffs filed in this matter.

There being no further discussion, the IC was then adjourned.
