CASE NO. 2017-00221

APPLICATION

Comes now Duke Energy Kentucky, Inc. ("Duke Energy Kentucky" or "Company"), by counsel, pursuant to KRS 278.020(4), 807 KAR 5:001, Section 15(1), 807 KAR 5:001 Section 14 and other applicable law, and tenders hereby its application for a certificate of public convenience and necessity to apply for and obtain a franchise from the city of Crittenden, in Grant County, Kentucky ("Crittenden"), to provide electricity and natural gas transmission and distribution service, respectfully stating as follows:

1. Duke Energy Kentucky is a Kentucky corporation, originally incorporated on March 20, 1901, that is in good standing and operating as a combined electric and natural gas utility serving approximately 240,000 customers in six Kentucky counties. Duke Energy Kentucky's business address is 139 East Fourth Street, Cincinnati, Ohio 45202 and its local address is Duke Energy Envision Center, 4580 Olympic Boulevard, Erlanger, Kentucky, 41018. The Company's email address is KyFilings@duke-energy.com. Duke Energy Kentucky held a franchise for the use of the City streets, alleys and public grounds to provide

electricity and natural gas transmission and distribution facilities and services within the territorial limits of Crittenden. However, that franchise has expired.

2. Duke Energy Kentucky proposes to bid upon a new municipal franchise to place electric and natural gas transmission and distribution facilities in public streets and places of Crittenden and to provide related service to Crittenden. The new franchise will be awarded by the Crittenden City Council.
3. The Crittenden City Council has passed an Ordinance setting forth the requirements and deadlines for submitting a bid to secure a new franchise. Crittenden has directed that bids shall be received on or before Tuesday, June 20, 2017. A copy of the Ordinance is attached hereto as Exhibit A and incorporated herein by reference. A copy of the Legal Notice that was published in the Grant County News by Crittenden regarding said new franchise is attached hereto as Exhibit B and incorporated herein by reference.
4. As evidenced by the Ordinance, there is, and will continue to be, a demand and need for the facilities and services sought to be rendered by Duke Energy Kentucky pursuant to the franchise.
5. Upon obtaining a franchise from Crittenden, Duke Energy Kentucky will file a true and correct copy of same with the Commission.

WHEREFORE, on the basis of the foregoing, Duke Energy Kentucky respectfully requests the Commission to approve this application and to issue to Duke Kentucky a certificate of public convenience and necessity authorizing it to apply for and obtain a franchise from Crittenden, as set forth herein.

This the 26th day of May, 2017.

Respectfully Submitted,

WHEREAS, Duke Energy is a successor to the Union Light, Heat and Power Company ("ULH&P"); and

WHEREAS, ULH&P had a franchise for the use of the City streets, alleys and public grounds for the transmission and distribution of electricity through and for consumption within the City; but that franchise expired pursuant to the terms thereof; and

There is hereby established a non-exclusive franchise for the use of the public property within the City for the transmission and distribution of either or both electricity and natural gas for consumption both within and outside of the City.

Section 3.0 – Terms of Franchise

As required by K.R.S. 96.010, the terms and conditions of the franchise hereby established are as follows:

3.1 Bidding Requirement

Pursuant to Section 164 of the Kentucky Constitution, before granting the franchise hereby established, the City shall first, after due advertisement, receive bids therefor publically, and award it to the highest and best bidder; but the City shall have the right to reject any and all bids.

3.2 Bond Requirement

Pursuant to the requirements of K.R.S. 96.020(1), each bid for the franchise hereby established shall include cash or a certified check equal to five percent (5%) of the fair estimated cost of the plant required to render the service. The deposit shall be forfeited to the City in case the bid is accepted and the bidder fails, for thirty (30) days after the confirmation of the sale, to pay the price bid and to give a sufficient bond in a sum equal to one-fourth (1/4) of the fair estimated cost of the plant to be erected. The bond shall be conditioned to be enforceable in case the person giving it fails, within a reasonable time, to

establish a suitable plant for rendering the service and begin rendering the service in the manner set forth in the terms of the sale; provided, however, that pursuant to the provisions of K.R.S. 96.020(2), this section 3.2 shall not apply to a person already owning a plant and equipment sufficient to render the service required under the franchise hereby established.

3.3 Reservation of Rights

Pursuant to the requirements of K.R.S. 96.070, the City hereby reserves all of the rights identified therein and within the meaning thereof; and the City shall have all of the rights, privileges and authority established thereby; and the Franchisee shall comply with all of the lawful exercise thereof by the City and with all other laws, rules and regulations of all governmental agencies having jurisdiction thereof. Franchisee shall not object to the City making occasional requests to Franchisee for the minor use of utility poles to attach objects such as flags, ribbons, plaques and banners for special events. The City agrees it will obtain written consent from the Franchisee prior to placing any sign, banner, flag or other object on the Franchisees' facilities. The City understands that the Franchisee must be certain that such attachment will not cause any adverse impact to the Franchisee's facilities or ability to serve its customers and that such attachment may not violate any federal, state, local or industry requirement.

3.4 Franchise Non-exclusive

The franchise hereby established is not an exclusive franchise. It is a non-exclusive franchise; and the City reserves the right to also grant the franchise hereby established to others in accordance with the Kentucky Certified Service Territories Act at KRS 278.016, *et seq* and other applicable law.

3.5 Franchise Not Assignable

The franchise established hereby shall not be assignable without the written consent of the City; however, the Franchisee may assign the franchise to any affiliate which may, during the term of the franchise assume the obligation to provide electricity and/or natural gas throughout and for consumption within the City without being required to seek the City's consent to such assignment.

3.6 Franchise Area

The franchise established hereby shall be for the use of those portions of the public property within the City that are included in the territory for which the

Franchisee has been certified by the Public Service Commission of Kentucky pursuant to K.R.S. Chapter 278.

3.7 Effective Period of Franchise

The franchise established hereby shall be effective for a period of five (5) years, beginning on the first day of the calendar month immediately following the grant and award of a franchise hereby established to a Franchisee and ending five (5) years thereafter, unless previously terminated by the City pursuant to the provisions hereof or as otherwise provided by operation of law.

3.8 Franchise Termination

In the event of any continuing default by a Franchisee of any of the obligations of the franchise hereby established and after a written notice and description thereof to the Franchisee from the City by certified mail, return receipt requested, and upon the failure of the Franchisee to reasonably cure the default within a reasonable period of time, the City may terminate the franchise awarded and granted to the defaulting Franchisee, through a written notice thereof to the Franchisee, by certified mail, return receipt requested, to be effective no less than ninety (90) days from delivery of said written notice.

3.9 Franchise Rights and Privileges During Effective Period

While the franchise established hereby is effective, the Franchisee may engage in the following activities; but always subject to the rights reserved by the City pursuant to the provisions of the previous Section 3.3 hereof:

3.9.1 Continuation of Existing Facilities

The continued operation, use, maintenance, repair construction and/or reconstruction to the existing condition thereof all of the facilities of the Franchisee within or upon any public property within the City.

3.9.2 New Facilities

The Franchisee shall provide commercially reasonable notice of any non-emergency extension or expansion of any existing facilities of the Franchisee, or the construction or installation of new facilities within the franchise area; and the plans and specifications for such new facilities to the City. The Franchisee shall abide by the City's permitting process and

receive the necessary approval thereof by the Mayor or the designee thereof, which approval shall not be withheld unless the extension, expansion, construction or installation described in those plans and specifications is contrary to the public health, safety, welfare and convenience. In the event that any request for the extension or expansion of any existing facilities of the Franchisee or the construction or installation of new facilities of the Franchisee is denied by the Mayor or his designee, such denial shall be set forth in writing with the basis of the denial set forth therein within thirty (30) days of the Franchisee's notice. If written denial or approval is not received within thirty (30) days of the Franchisee's notice, the extension, expansion, construction or installation request shall be deemed approved. The City acknowledges that the Franchisee has a statutory duty to provide adequate, efficient and reasonable service and that the Franchisee shall not be prevented from fulfilling that statutory obligation due to any delay by the Mayor or the designee thereof in giving or failing to give any approval described herein.

3.9.3 Pavement Removal, Excavation and Grading

The Franchisee shall provide commercially reasonable notice of any non-emergency removal or revision of any pavement and any excavation and grading reasonably necessary within any public property in the franchise area and the plans and specifications for such new facilities to the City. The Franchisee shall abide by the City's permitting process and receive necessary approval thereof by the Mayor or the designee thereof, which approval shall not be withheld unless the proposed pavement removal, excavation or grading are contrary to the public health, safety, welfare and convenience. In the event that any request for pavement removal or revision, excavation or grading is denied by the Mayor or his designee, such denial shall be set forth in writing with the basis of the denial set forth therein within thirty (30) days of the Franchisee's notice. If a written denial or approval is not received within thirty (30) days, the removal or revision of any pavement and any excavation and grading shall be deemed approved. The City acknowledges that the Franchisee has a statutory duty to provide adequate, efficient and reasonable service and that the Franchisee shall not be prevented from fulfilling that statutory obligation due to any delay by the Mayor or the designee thereof in giving or failing to give any approval described herein.

3.9.4 Right of Way Maintenance

The Franchisee shall have the right, without payment of fees, to cut, trim or remove any trees, overhanging branches or other obstructions on public property which in the reasonable opinion of the Franchisee may endanger or interfere with the efficient installation or maintenance of facilities. If, during the franchise period, the City closes to public use any public property in or on which facilities of the Franchisee are located, the City shall make such provisions as may be legal and necessary to grant the Franchisee the right to retain the facilities thereof within that public property, along with the rights to maintain and operate such facilities.

3.9.5 Other Activities

All other activities that are reasonably necessary for the use by the Franchisee of the public property within the franchise area pursuant to the provisions of the franchise hereby established.

3.10 Franchisee Obligations During Elective Period

While this franchise is effective the Franchisee shall:

3.10.1 Surety Bond

Provide the City with and continually maintain a surety bond with (a) the City as the Obligee; and (b) the Franchisee as the Principle; and (c) a surety approved by the Mayor of the City, in an amount equal to \$50,000.00 conditioned upon the faithful performance by the Franchisee of the terms and conditions of the franchise hereby established; provided, however, that this requirement may be waived by the Mayor or the designee thereof upon the reasonable satisfaction thereof with the net worth of the Franchisee.

3.10.2 Liability Insurance

Provide the City with and continually maintain a comprehensive policy of liability insurance, with the Franchisee and the City as named insureds, and with limits of not less than \$500,000.00 per person and \$1,000,000.00 per occurrence, by which the Franchisee and the City are insured against any legal liability to others that is in any way related to any acts or omissions of the Franchisee pursuant to the franchise hereby established; provided, however, that this requirement may be waived by the Mayor or the designee thereof upon the reasonable satisfaction thereof with the net worth of the Franchisee. The City acknowledges that Duke Energy is self-insured for all insurance coverages and obligations under this Agreement and shall provide a Letter of Self-Insurance to the City upon execution of this Agreement. The City acknowledges that Owen Electric is unable to add the City as a named insured, but can name the City as an additional insured.

3.10.3 Provision of Electricity and Natural Gas

Provide either or both electricity and natural gas to the consumers thereof within the City that is no less in character, quantity and geographical area than that provided at the time a franchise established hereby is granted and awarded to the Franchisee; and also equal to and no less in character and quantity than that provided to consumers thereof outside of the City and according to the same terms, conditions, rates, charges and costs as approved by the Kentucky Public Service Commission ("Commission").

3.10.4 Maintenance of Facilities

Cause the facilities of the Franchisee within the franchise area to be maintained and repaired to a condition that is functional and safe and not a hazard to the public health, safety, welfare and convenience.

3.10.5 Prosecution of Work

During the construction, maintenance, repair, replacement, re- construction, expansion, extension, new construction or installation of any of the facilities of the Franchisee, the Franchisee shall promptly and diligently prosecute such activities to completion within a reasonable time, and at the least possible hazard to the public health, safety, inconvenience and general welfare; and, upon completion thereof, the public property of the City in which those activities occurred shall be restored by the Franchisee to a condition that is as good or better than the condition thereof at the time of the commencement of those activities.

3.10.6 Relocation of Facilities

During any construction, maintenance, repair, replacement, improvement or expansion by the City of any of the public property within the franchise area or any improvements therein other than the facilities of the Franchisee, or at any other time, the Franchisee shall, remove, relocate or adjust any of the facilities of the Franchisee in such public property within a reasonable time after a written request therefor from the City.

3.10.7 Reserved Rights of the City

Comply with the exercise by the City of all of the rights thereof reserved by the City pursuant to the provisions of the previous Section 3.3 hereof.

3.10.8 Franchise Fee

Pay to the City within thirty (30) days after the end of each calendar quarter a franchise fee equal to three percent (3%) of the gross receipts of the Franchisee from the sale of electricity and natural gas for consumption within the City during the previous calendar quarter, along with a certification signed by an officer of the Franchisee or a Certified Public Accountant employed by or on behalf of the Franchisee indicating the quarter's gross receipts, payment calculation, and any necessary gross-ups for collections by

the Franchisee. The franchise fee required hereby is not in substitution or in lieu of any other tax, fee, imposition or charge for which the Franchisee would otherwise be responsible and liable. The franchise fee required hereby is in consideration of the use of the public streets, alleys and other public grounds within the City by the Franchisee pursuant to the provisions of the franchise hereby established, since such use is a valuable right in property, the acquisition and maintenance of which is very expensive to the City; and, without such use, the Franchisee would be required to acquire easements in private property for the transmission and distribution of either or both electricity and natural gas, at considerable expense to the Franchisee.

3.10.9 Release

Release, acquit and forever discharges the City, and all of the officers, agents, employees, successors and assigns thereof, from each, every, any and all obligations and liabilities of any of them to the Franchisee and the successors and assigns thereof for each, every, any and all personal injuries, property damage, costs, expenses, losses, compensation and all other damages of every kind and nature, and all claims and causes of action therefore, at law, or in equity, which may accrue to the Franchisee and the successors and assigns thereof, through any act, omission, event or occurrence proximately caused by any negligence of the City that is in any way related to the franchise established hereby or the award or grant thereof by the City to the Franchisee or the use of the public streets, alleys and other public grounds within the City by the Franchisee pursuant to the franchise established hereby. This section shall not apply to any or all activities associated with the City's use of the utility poles as outlined in Section 3.3 above.

3.10.10 Indemnification

Pay, indemnify and hold the City and the officers, agents, employees, successors and assigns thereof harmless from and to defend them at the request of the City and at the sole cost and expense of the Franchisee, from each, every, any

and all obligations and liabilities of any of them to others and the executors, administrators, heirs, successors and assigns of such others for each, every, any and all personal injuries, property damage, costs, expenses, losses, compensation and all other damages of every kind and nature, and all claims and causes of action therefore, at law, or in equity, including, without limitation, claims of third parties for indemnification and/or contribution, which may accrue to such others and their executors, administrators, heirs, successors and assigns, through any act, omission, event or occurrence proximately caused by the negligence of the Franchisee which is in any way related to the franchise established hereby or the award or grant thereof by the City to the Franchisee or the use of the public streets, alleys and other public grounds within the City by the Franchisee pursuant to the franchise hereby established. This section shall not apply to any or all activities associated with the City's use of the utility poles as outlined in Section 3.3 above.

3.11 Franchise Obligations after Effective Period

The Release obligation of the Franchisee provided in the previous Section 3.10.9 and the Indemnification obligation of the Franchisee provided in the previous Section 3.10.10 shall continue after the effective period of the franchise hereby established in regard to all of such claims that accrue during the effective period.

Section 4.0 – Construction

This ordinance shall not be construed in a manner which would create an obligation, requirement or duty on the part of the Franchisee which is in any way inconsistent with Kentucky law or its tariff on file with and approved by the Commission.

Section 5.0 – Conflicting Ordinances Repealed

All other ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed to the extent of such conflict.

Section 6.0 – Effective Date

This Ordinance shall be effective as soon as possible according to law.
