RE: Cawood Water District; Harlan Co., KY
Alternative Rate Adjustment Application
PSC Case No. 2017-00309

Dear Ms. Pinson:

At its board meeting on November 21, 2017, the Cawood Water District Board of Commissioners voted to accept the Public Service Commission's staff report as presented without requesting an informal conference or formal hearing including the monthly water rates, non-recurring charges and changes in how it accounts for the depreciation of its assets.

Should you need any additional information from the District to facilitate the implementation of the rates, please contact us.

Sincerely,

Howard Farmer, Jr.
Chairman
