Atmos Energy also is proposing several tariff modifications:

(1) Adopts the Company's Research & Development Rider (R&D) unit charge that applies to the distribution charge applicable to all gas transported by the Company other than the T-3 and T-4 Transportation Services.

Present Rate:	Proposed Rate:	Change (\$)	Percent Change:
\$0.0035 Per Mcf	\$0.0174 Per Mcf	\$0.0139	397.1%

Increase in Average Residential Bill per month (\$): \$0.07  
 Increase in Average Residential Bill per month (%): 0.13%  
 Increase in Average Commercial/Pub Auth Bill per month (\$): \$0.36  
 Increase in Average Commercial/Pub Auth Bill per month (%): 0.17%  
 R&D increase in annual contribution of approximately \$22,000 assuming 16 Bcf of annual sales.

(2) Proposes the Company's Annual Review Mechanism (ARM) to allow an annual review and adjustment of rates as explained in detail in the proposed tariffs filed with the application.

All other charges not specifically mentioned herein shall remain the same as those presently in effect. The proposed base rates will result in an overall approximate increase in the amount of \$10,416,024 or 6.1% with increases of approximately \$3,804,049 or 5.7% for residential consumers, and \$2,290,550 or 4.8% for commercial and public authority consumers, and approximately \$2,418,804 or 10.6% for industrial and transportation consumers. Charges from other gas revenue will increase \$70,532 or 3.4%. The average monthly bill for residential consumers will increase approximately \$2.99 or 5.7%. The average monthly bill for commercial and public authority consumers will increase approximately \$10.07 or 4.8%. The average monthly bill for industrial and transportation consumers will increase approximately \$478.65 or 10.6%.

Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Present Rates)	Average Monthly Bill (Proposed Rates)	Increase in Average Monthly Bill (\$)	Increase in Average Monthly Bill (%)
Residential	5.3	\$52.15	\$55.14	\$2.99	5.7%
Commercial/Pub Auth	25.73	\$208.63	\$218.70	\$10.07	4.8%
Industrial/transportation	5,999	\$4,504.29	\$4,982.94	\$478.65	10.6%

Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Present Rates)	Average Monthly Bill (Proposed Rates)	Increase in Average Monthly Bill (\$)	Increase in Average Monthly Bill (%)
Residential	5.3	\$52.17	\$55.23	\$3.06	5.9%
Commercial/Pub Auth	25.73	\$208.72	\$219.15	\$10.43	5.0%
Industrial/transportation	5,999	\$4,506.27	\$4,987.78	\$481.51	10.7%

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website [www.atmosenergy.com](http://www.atmosenergy.com) or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <http://psc.ky.gov>. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602. A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

Atmos Energy also is proposing several tariff modifications:  
1) Update the Company's Research & Development Rider (RAD) unit charge that applies to the distribution charge applicable to all gas transported by the Company other than the T3 and T4 Transportation Service.  
Present Rate: Proposed Rate: Change (%)  
\$0.0033 Per Mcf \$0.0174 Per Mcf \$0.0139 337.1%  
Increase in Average Residential Bill per month (\$): \$0.07  
Increase in Average Residential Bill per month (%): 0.13%  
Increase in Average Commercial/Pub Auth Bill per month (\$): \$0.36  
Increase in Average Commercial/Pub Auth Bill per month (%): 0.17%  
RAD Increase in annual contribution of approximately \$229.00 assuming 10 Bbl of annual sales.  
2) Propose the Company's Annual Review Mechanism (ARM) to allow an annual review and adjustment of rates as explained in detail in the proposed tariffs filed with the application.  
All other charges not specifically mentioned herein shall remain the same as those presently in effect. The proposed base rates will result in an overall approximate increase in the amount of \$10,410,024 or 6.1% with increase of approximately \$5,634,049 or 6.7% for residential consumers, and \$2,292,550 or 4.0% for commercial and public authority consumers, and approximately \$2,416,864 or 10.6% for industrial and transportation consumers. Charges from other gas revenue will increase \$70,632 or 3.4%. The average monthly bill for residential consumers will increase approximately \$2.89 or 6.7%. The average monthly bill for commercial and public authority consumers will increase approximately \$10.07 or 10.6%. The average monthly bill for industrial and transportation consumers will increase approximately \$478.65 or 10.6%.

Base tariff rates only Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Present Rates)	Average Monthly Bill (Proposed Rates)	Increase in Average Monthly Bill (\$)	Increase in Average Monthly Bill (%)
Residential	6.3	\$52.15	\$55.14	\$2.99	5.7%
Commercial/Pub Auth	25.73	\$208.83	\$218.70	\$10.07	4.8%
Industrial/Transportation	6,999	\$4,504.29	\$4,982.94	\$478.65	10.6%

Base tariff rates plus RAD charges Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Present Rates)	Average Monthly Bill (Proposed Rates)	Increase in Average Monthly Bill (\$)	Increase in Average Monthly Bill (%)
Residential	6.3	\$52.17	\$55.23	\$3.06	5.9%
Commercial/Pub Auth	25.73	\$208.72	\$218.15	\$10.43	5.0%
Industrial/transportation	6,999	\$4,505.27	\$4,987.78	\$482.52	10.7%

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be changed that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website [www.atmosenergy.com](http://www.atmosenergy.com) or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <http://psc.ky.gov>. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.  
A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interests of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

**AIR QUALITY PERMIT NOTICE**

Draft Federally Enforceable/Conditional Major Operating Permit Renewal F-17-054 Ohio Valley Aluminum Company, LLC Plant ID: 21-211-00001 - Agency Interest: 3953 Ohio Valley Aluminum Company, LLC has applied to the Kentucky Division for Air Quality for renewal of their permit to operate a Secondary Smelting and Refining of Nonferrous Metals (aluminum) facility at 1100 Brooks Industrial Road, Shelbyville, KY 40065. The plant is classified as a Conditional Major source due to potential emissions of non-hazardous regulated air pollutants greater than a major source threshold. The permit contains federally-enforceable limitations to restrict this source's potential emissions to less than a major source threshold.

An electronic copy of the draft permit should shortly be made available at <http://air.ky.gov/Pages/PublicCommentsandHearings.aspx>. Official copies of the draft permit and relevant supporting information are available for inspection by the public during normal business hours at the following locations: Division for Air Quality, 300 Sower Boulevard, 2nd Floor, Frankfort, KY 40601; Phone: (502) 782-4783 and the Shelby County Library District, 309 Eighth Street, Shelbyville, KY 40065 1200, Phone (502) 633-3803.

For a period of 30 days the Division will accept comments on the draft permit and allow the opportunity for a public hearing. The first day of the 30 day period is the day after the publication of this notice. Comments and/or public hearing requests should be sent to Ms. Shauna Switzer at the above Frankfort address or e-mail [Shauna.Switzer@ky.gov](mailto:Shauna.Switzer@ky.gov). Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Ms. Amy Tempus-Doom at (502) 782-6786.

The Commonwealth of Kentucky does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aides and services necessary to afford individuals an equal opportunity to participate in all programs and activities. Materials will be provided in alternate format upon request.

**NOTICE OF PROPOSED CHANGES IN GAS TARIFFS WHICH WILL RESULT IN INCREASED CHARGES**

Notice is hereby given that Atmos Energy Corporation ("Atmos Energy"), a public utility furnishing natural gas service within the Commonwealth of Kentucky, on or about the 28th day of September, 2017 pursuant to Kentucky Revised Statute 278.180 and the Rules of the Public Service Commission of Kentucky respecting tariffs filed its notice with the Kentucky Public Service Commission ("KPS-C"), proposing to change its gas rates effective October 28, 2017.

Atmos Energy also is proposing several tariff modifications: 1) Update the Company's Research & Development Rider (RAD) unit charge that applies to the distribution charge applicable to all gas transported by the Company other than the T-3 and T-4 Transportation Service. The proposed increases for RAD charges are additive to the base rate charges presented in the table below.

Present Rate:	Proposed Rate:	Percent Change:
\$0.0035 Per Mcf	\$0.0174 Per Mcf	79.3%
Increase in Average Residential Bill per month (\$): \$0.07		
Increase in Average Residential Bill per month (%): 0.13%		
Increase in Average Commercial/Pub Auth Bill per month (\$): \$0.36		
Increase in Average Commercial/Pub Auth Bill per month (%): 0.17%		

RAD increase in annual contribution of approximately \$222,000 assuming 16 Bcf of annual sales.

2) Proposed the Company's Annual Review Mechanism (ARM) to allow an annual review and adjustment of rates as explained in detail in the proposed tariffs filed with the application.

All other charges not specifically mentioned herein shall remain the same as those presently in effect. The proposed base rates will result in an overall approximate increase in the amount of \$10,416,024 or 6.1% with increases of approximately \$5,634,048 or 5.7% for residential consumers, and \$2,292,550 or 4.8% for commercial and public authority consumers, and approximately \$2,184,894 or 10.6% for industrial and transportation consumers. Charges from other gas revenue will increase \$70,532 or 3.4%. The average monthly bill for residential consumers will increase approximately \$2.98 or 5.7%. The average monthly bill for commercial and public authority consumers will increase approximately \$10.07 or 4.8%. The average monthly bill for industrial and transportation consumers will increase approximately \$478.65 or 10.6%.

Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Present Rates)	Average Monthly Bill (Proposed Rates)	Increase in Average Monthly Bill (\$)	Increase in Average Monthly Bill (%)
Residential	5.3	\$52.15	\$55.14	\$2.99	5.7%
Commercial/Pub Auth	25.73	\$208.63	\$218.70	\$10.07	4.8%
Industrial/transportation	5,999	\$4,504.29	\$4,982.94	\$478.65	10.6%

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPS-C may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website [www.atmosenergy.com](http://www.atmosenergy.com) or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <http://psc.ky.gov>. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

AN ORDINANCE ESTABLISHING SPEED LIMITS ON CITY STREETS WITHIN THE CITY LIMITS OF THE CITY OF AUBURN, KENTUCKY, METHODS FOR PROVIDING EXCEPTIONS THERETO, AND PROVIDING THAT STATE LAW SHALL GOVERN AS IT RELATES TO PENALTIES.

WHEREAS, the City of Auburn, Kentucky wishes to establish speed limits on city streets as authorized by KRS 189.200; NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUBURN, KENTUCKY, AS FOLLOWS:

**SECTION 1. Definitions**  
"City Streets", for the purpose of this ordinance, shall include those streets or roadways, within the city limits, the speed on which is not controlled by state or federal law.  
Other terms used in this Ordinance shall be as defined in the Kentucky Revised Statutes.

**SECTION 2. Speed Limits**  
No operator of a vehicle upon the city streets within the city limits of Auburn Kentucky shall drive at a speed greater than twenty-five (25) miles per hour.  
A person shall not drive a motor vehicle at a speed that will impede or block the normal and reasonable movement of traffic, except when reduced speed is necessary for safe operation or in compliance with law.

**SECTION 3. Changes to speed Limits**  
Whenever the City Council of Auburn determines, based upon an engineering and traffic investigation, that the speed limit set forth herein is greater or less than is reasonable or safe at a specific location, the City Council may by motion, duly passed, determine and establish a reasonable and safe speed limit for that location.

**SECTION 4. Penalties**  
The penalty provisions of state law, and any amendments thereto, shall apply to those guilty of violating the provisions of this Ordinance.

**SECTION 5. Conflicts with State Law**  
In the event there is or arises a conflict between this Ordinance and any state law, the state law shall apply.

**SECTION 6. Severability**  
The provisions of this Ordinance are severable. In the event any part of this Ordinance is deemed invalid, the remaining parts shall remain in effect.

**SECTION 7. Effective Date**  
This Ordinance shall take effect immediately after its passage and publication as required by law.

Almos Energy also is proposing several tariff modifications:

1) Update the Company's Research & Development Rider (R&D) unit charge that applies to the distribution charge applicable to all gas transported by the Company other than the T-3 and T-4 Transportation Service.

Present Rates: Proposed Rate: Change (\$): Percent Change:  
\$0.0035 Per Mcf \$0.0174 Per Mcf \$0.0139 387.1%

Increase in Average Residential Bill per month (\$): \$0.07  
Increase in Average Residential Bill per month (%): 0.12%

Increase in Average Commercial/Pub Auth Bill per month (\$): \$0.38  
Increase in Average Commercial/Pub Auth Bill per month (%): 0.17%

R&D increase in annual contribution of approximately \$22,000 assuming 18 Bcf of annual sales.

2) Proposed the Company's Annual Review Mechanism (ARM) to allow an annual review and adjustment of rates as explained in detail in the proposed tariffs filed with the application.

All other charges not specifically mentioned herein shall remain the same as those presently in effect. The proposed base rates will result in an overall approximate increase in the amount of \$10,416,664 or 6.1% with increases of approximately \$6,834,048 or 5.7% for residential consumers, and \$2,292,550 or 4.8% for commercial and public authority consumers, and approximately \$2,418,884 or 10.6% for industrial and transportation consumers. Charges from other gas revenue will increase \$70,552 or 5.4%. The average monthly bill for residential consumers will increase approximately \$2.93 or 5.7%. The average monthly bill for commercial and public authority consumers will increase approximately \$10.07 or 4.6%. The average monthly bill for industrial and transportation consumers will increase approximately \$478.65 or 10.6%.

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Almos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Almos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Almos Energy listed below or at its website [www.almosenery.com](http://www.almosenery.com) or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <http://psc.ky.gov>. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Almos Energy's application.

To the Kentucky Board of Education, Frankfort, KY:  
 In Compliance with Kentucky Revised Statutes and the regulations of the Kentucky Board of Education, we, the board of education of the above named school district, hereby submit for your approval the following tax rates levied on 09/06/2017.

For rates that exceed compensating and HB 940 tax rates, the notice and hearing requirements of KRS 160.470(7)(b) "published at least twice for two (2) consecutive weeks, in the newspaper of largest circulation in the county, the public hearing shall be held not less than seven (7) days nor more than ten (10) days after the day that the second advertisement is published," have been met.

An advertisement was placed in THE MAYFIELD MESSENGER newspaper on 09/23/2017 (date of first advertisement) and 09/30/2017 (date of second advertisement).

The public hearing was held on 09-08-2017.

For rates subject to recall, an additional advertisement was made on within 7 days of the hearing as required by KRS 160.470(8). Once the forty-five (45) days have passed since the rate levied, we will need notification of whether a valid petition was presented. If a valid petition was presented, we will need whether we intend to place the issue before the voters for approval.

Atmos Energy also is proposing several tariff modifications:

1) Update the Company's Research & Development Rider (RAD) unit charge that applies to the distribution charge applicable to all gas transported by the Company other than the T-3 and T-4 Transportation Service.

Present Rate:	Proposed Rate:	Change (\$)	Percent Change:
\$0.0035 Per Mcf	\$0.0174 Per Mcf	\$0.0139	397.1%

Increase in Average Residential Bill per month (\$): \$0.07  
 Increase in Average Commercial/Pub Auth Bill per month (%): 0.13%  
 Increase in Average Commercial/Pub Auth Bill per month (\$): \$0.36  
 Increase in Average Commercial/Pub Auth Bill per month (%): 1.7%  
 RAD Increase in annual contribution of approximately \$222,000 assuming 16 Bcf of annual sales.

2) Proposed the Company's Annual Review Mechanism (ARM) to allow an annual review and adjustment of rates as explained in detail in the proposed tariffs filed with the application.

All other charges not specifically mentioned herein shall remain the same as those presently in effect. The proposed base rates will result in an overall approximate increase in the amount of \$10,416,024 or 6.1% with increases of approximately \$5,834,048 or 6.7% for residential consumers, and \$2,292,550 or 4.8% for commercial and public authority consumers, and approximately \$2,418,894 or 10.9% for industrial and transportation consumers. Charges from other gas revenue will increase \$70,532 or 3.4%. The average monthly bill for residential consumers will increase approximately \$2.99 or 5.7%. The average monthly bill for commercial and public authority consumers will increase approximately \$10.07 or 4.8%. The average monthly bill for industrial and transportation consumers will increase approximately \$478.65 or 10.6%.

Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Present Rates)	Average Monthly Bill (Proposed Rates)	Increase in Average Monthly Bill (\$)	Increase in Average Monthly Bill (%)
Residential	5.3	\$52.15	\$55.14	\$2.99	5.7%
Commercial/Pub Auth	25.73	\$208.63	\$218.70	\$10.07	4.8%
Industrial/transportation	5,999	\$4,504.29	\$4,982.94	\$478.65	10.6%

Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Proposed Rates)	Increase in Average Monthly Bill (\$)	Increase in Average Monthly Bill (%)	
Residential	5.3	\$52.17	\$55.23	\$3.06	5.9%
Commercial/Pub Auth	25.73	\$208.72	\$219.15	\$10.43	5.0%
Industrial/transportation	5,999	\$4,505.27	\$4,987.78	\$482.52	10.7%

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website [www.atmosenergy.com](http://www.atmosenergy.com) or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's office at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <http://psc.ky.gov>. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602. A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

Amos Energy also is proposing several tariff modifications:  
 1) Update the Company's Research & Development Rider (R&D) unit charge that applies to the distribution charge applicable to all gas transported by the Company other than the T-3 and T-4 Transportation Service.  
 Present Rate: \$0.0025 Per Mcf  
 Proposed Rate: \$0.0174 Per Mcf  
 Change (\$): \$0.0149  
 Percent Change: 307.1%  
 Increase in Average Residential Bill per month (\$): \$0.07  
 Increase in Average Residential Bill per month (%): 0.13%  
 Increase in Average Commercial/Pub Auth Bill per month (\$): \$0.36  
 Increase in Average Commercial/Pub Auth Bill per month (%): 0.17%  
 R&D increase in annual contribution of approximately \$22,000 assuming 16 Bcf of annual sales.  
 2) Propose the Company's Annual Revenue Mechanism (ARM) to allow an annual review and adjustment of rates as explained in detail in the proposed tariffs filed with the application.  
 All other charges not specifically mentioned herein shall remain the same as those presently in effect. The proposed base rates will result in an overall approximate increase in the amount of \$10,416,024 or 6.1% with increases of approximately \$5,834,048 or 5.7% for residential consumers, and \$2,250,550 or 4.8% for commercial and public authority consumers, and approximately \$2,418,894 or 10.6% for industrial and transportation consumers. Charges from other gas revenue will increase \$70,532 or 3.4%. The average monthly bill for residential consumers will increase approximately \$2.99 or 5.7%. The average monthly bill for commercial and public authority consumers will increase approximately \$10.07 or 4.8%. The average monthly bill for industrial and transportation customers will increase approximately \$478.65 or 10.6%.

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.  
 The rates contained in this notice are the rates proposed by Amos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Amos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Amos Energy listed below or at its website [www.amosenergy.com](http://www.amosenergy.com) or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <http://psc.ky.gov>. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Amos Energy's application.
