**MOTION FOR AN EXTENSION OF TIME**

---

Comes now Big Sandy Rural Electric Cooperative Corporation (“Big Sandy”), by counsel, and hereby moves the Commission for an Order extending the deadline by which Big Sandy must file its Response to Commission Staff’s First Request for Information propounded in the above-styled matter on September 27, 2017. Specifically, Big Sandy requests that it be allowed an additional seven (7) days (*i.e.*, until Monday, November 20, 2017) to file its Response.

In support of this Motion, Big Sandy states that additional time is sought in order to adequately review, compile and confirm the extensive information and documentation requested by Commission Staff. While Big Sandy has worked (and continues to work) diligently to respond to the Request in an expeditious manner, the detail and complexity of the information sought, coupled with the cooperative’s minimal level of staffing with relevant expertise, necessitates the relatively brief extension of time prayed for herein. Big Sandy believes its requested extension is reasonable, will not result in undue delay, and is essential to ensure appropriate and adequate responses are prepared and finalized as part of this important matter.

In further support of this motion Big Sandy states that no time concerns nor other similar prejudice would result from this request since there are presently no intervenors in the case nor has a procedural schedule been entered by the Commission.

WHEREFORE, for good cause shown, Big Sandy respectfully requests an Order from the Commission extending to November 20, 2017, the deadline by which the cooperative must file its Response to Commission Staff's First Request for Information.

This 8<sup>th</sup> day of November, 2017.

Respectfully submitted,
