PUBLIC SERVICE
COMMISSION

In the Matter of:

THE 2017 INTEGRATED RESOURCE)	CASE NO.
PLAN OF BIG RIVERS ELECTRIC)	2017-00384
CORPORATION)	

MOTION FOR DEVIATION

1. Big Rivers Electric Corporation (“Big Rivers”) hereby moves the Kentucky Public Service Commission (“Commission”) for a deviation from the requirements in 807 KAR 5:001 Section 13(2)(a)(3) that Big Rivers file one paper copy of material containing confidential information submitted under a petition for confidential treatment and ten copies of that material with the confidential information redacted.

2. Big Rivers is filing with this motion a hardcopy original and ten paper copies of responses to the Initial Requests for Information of Commission Staff, the Attorney General, Kentucky Industrial Utility Customers, Inc. (“KIUC”), and Ben Taylor and the Sierra Club.

3. Items 14, 40, and 52 of the Commission Staff’s Initial Request for Information, Item 8 of KIUC’s Initial Request for Information, and Items 8, 14, 25, and 41 of Sierra Club’s Initial Requests for Information, all request modeling files or Excel files. As such, Big Rivers’ is providing those files in electronic form as requested.

1 4. As such, Big Rivers requests a deviation from the requirement to
2 provide paper copies of these files. Further, most of these files contain confidential
3 information for which Big Rivers is seeking confidential treatment pursuant to the
4 accompanying petition for confidential treatment. Since these documents are
5 spreadsheets and modeling files, Big Rivers cannot redact the confidential material
6 from some of the files without making other cells in the spreadsheets or modeling
7 files unusable. As such, Big Rivers requests a deviation from the requirement to
8 provide ten copies of the confidential documents with the confidential material
9 redacted.

10 WHEREFORE, Big Rivers respectfully requests that the Commission enter
11 an order granting a deviation to Big Rivers from the above requirements.

12 On this the 20th day of July, 2018.

14 Respectfully submitted,
