Comes now Duke Energy Kentucky, Inc. ("Duke Energy Kentucky" or "Company"), by counsel, pursuant to KRS 278.020(4), 807 KAR 5:001, Section 15(1), 807 KAR 5:001 Section 14 and other applicable law, and tenders hereby its application for a certificate of public convenience and necessity to apply for and obtain a franchise from the city of Dayton, in Campbell County, Kentucky ("Dayton"), to provide electricity and natural gas transmission and distribution service, respectfully stating as follows:

1. Duke Energy Kentucky is a Kentucky corporation, originally incorporated on March 20, 1901, that is in good standing and operating as a combined electric and natural gas utility serving approximately 240,000 customers in six Kentucky counties. Duke Energy Kentucky's business address is 139 East Fourth Street, Cincinnati, Ohio 45202 and its local address is Duke Energy Envision Center, 4580 Olympic Boulevard, Erlanger, Kentucky, 41018. The Company's email address is [KyFilings@duke-energy.com](mailto:KyFilings@duke-energy.com). Duke Energy Kentucky held a franchise for the use of the City streets, alleys and public grounds to provide

electricity and natural gas transmission and distribution facilities and services within the territorial limits of Dayton. However, that franchise has expired.

2. Duke Energy Kentucky proposes to bid upon a new municipal franchise to place electric and natural gas transmission and distribution facilities in public streets and places of Dayton and to provide related service to Dayton. The new franchise will be awarded by the Dayton City Council.
3. The Dayton City Council has passed an Ordinance setting forth the requirements and deadlines for submitting a bid to secure a new franchise. A copy of the Ordinance is attached hereto as Exhibit A and incorporated herein by reference. A copy of the Legal Notice that was published in the Cincinnati Enquirer by Dayton regarding said new franchise is attached hereto as Exhibit B and incorporated herein by reference.
4. As evidenced by the Ordinance, there is, and will continue to be, a demand and need for the facilities and services sought to be rendered by Duke Energy Kentucky pursuant to the franchise.
5. Upon obtaining a franchise from Dayton, Duke Energy Kentucky will file a true and correct copy of same with the Commission.

WHEREFORE, on the basis of the foregoing, Duke Energy Kentucky respectfully requests the Commission to approve this application and to issue to Duke Kentucky a certificate of public convenience and necessity authorizing it to apply for and obtain a franchise from Dayton, as set forth herein.

Provide either or both electricity and natural gas to the consumers thereof within the City that is no less in character, quantity and geographical area than that provided at the time a franchise established hereby is granted and awarded to the Franchisee; and also equal to and no less in character and quantity than that provided to consumers thereof outside of the City and according to the same terms, conditions, rates, charges and costs as approved by the Kentucky Public Service Commission ("Commission")
