Case No. 2017-00426

I am writing to express my interest in serving as a commissioner of South 641 Water District. I am a resident and customer of the district. I am a former employee of the district; having worked there as bookkeeper/office manager for a total of 26 years. In addition, my mother (Velma Miller) served as commissioner/treasurer of the district for a number of years. I have the working knowledge of the district and the desire to help it move forward.

Sincerely,

Debbie Rhodes
