Re: Case No. 2017-00426
South 641 Water District Commissioner Vacancy

To Whom It May Concern:

I am responding to the public notice recently advertised in the Murray Ledger & Times, Murray, KY. I would like to submit my name for consideration for this vacancy. I am a resident of this water district and own 3 properties in this district.

I am a retired Assistant Fire Chief from the Murray Fire Department, and have a working knowledge of the water systems in our community. I am willing to attend meetings monthly and complete all required training for this position. I have worked with the incoming Mayor and other members of this committee on other community projects, and believe I could serve the community well in this capacity.

Thank you for your time and consideration in this matter.

Respectfully yours,

Ricky Walls
