In the Matter of:

APPLICATION OF BIG RIVERS ELECTRIC)	
CORPORATION FOR TERMINATION OF)	CASE NO.
CONTRACTS AND A DECLARATORY ORDER)	2018-00146
AND FOR AUTHORITY TO ESTABLISH A)	
REGULATORY ASSET)	

ORDER

On July 6, 2018, Big Rivers Electric Corporation (BREC), filed a motion seeking a deviation from 807 KAR 5:001, Section 13(2)(a)(3), which requires the filing of one paper copy of material containing confidential information that is submitted under a petition for confidential treatment, and ten copies of the same material with the confidential information redacted. In support of its motion, BREC states that it provided an electronic Excel spreadsheet of its most recent long-term financial forecast and financial model in response to Kentucky Industrial Utility Customers, Inc.'s (KIUC) Initial Request for Information, Item 6. However, BREC contends that if it were required to print one copy of the spreadsheet, then it would exceed 600 pages. In addition, BREC asserts that because this document is an electronic spreadsheet, it would not be able to redact the confidential data from the file without making other cells in the spreadsheet unusable. As such, BREC requests a deviation from 807 KAR 5:001, Section 13(2)(a)(3), that would require it to provide a paper copy of the material containing confidential information as well as provide ten copies of the material with the confidential information redacted.

Having considered the Motion for Deviation and being otherwise sufficiently advised, the Commission finds that BREC has established good cause to deviate from 807 KAR 5:001, Section 13(2)(a)(3). The identified Excel spreadsheet shall be filed in electronic format only.

IT IS THEREFORE ORDERED that BREC's Motion for Deviation from 807 KAR 5:001, Section 13(2)(a)(3), is granted.
