Re: Case No. 2018-00017

Frankfort, KY 40602-0615

I am writing to let you know that I am worried about the rate increase that might come with the PSC order for a management company. The people of this County who have paid their bills and kept honest are not responsible for the situation that has gone on for many years. This will be very hard on those of us who are on a fixed income. We already have trouble paying for food & medicine and are already paying some of the highest water bills. Please help the citizens get a fair deal and clean water.

Thank you.
