IN THE MATTER OF:

AN INVESTIGATION INTO THE FEASIBILITY)
OF PROPOSED MERGER OF CAWOOD WATER) CASE NO. 2018-00068
DISTRICT AND BLACK MOUNTAIN UTILITY)
DISTRICT PURSUANT TO KRS 74.361)

SUPPLEMENTAL MOTION FOR EXTENSION OF TIME

Comes now Cawood Water District (“CWD”), by counsel, and in supplement to its Motion for Extension of Time filed in this matter on March 5, 2018, respectfully states as follows:

1. On February 19, 2018, the Commission entered an Order establishing this matter and propounding requests for information upon CWD. Pursuant to the Order, the deadline for CWD to file its responses to the Commission’s requests for information was March 5, 2018.
2. On March 5, 2018, CWD filed responses to most of the Commission’s requests for information, as well as a Motion for Extension of Time to provide a full response to a portion of one of the requests. To ensure compliance with 807 KAR 5:001, Section 4(4), that Motion is adopted and incorporated herein by reference.
3. The 14-day extension sought by CWD (*to wit*, until March 19, 2018) is reasonable, will not result in undue delay, and is necessary to allow CWD and its counsel an adequate opportunity to review the relevant facts and provide a complete and accurate response to the Commission’s inquiry. It does not appear prejudice will result from this request as there are presently no intervenors in the case and a procedural schedule has not been entered.

WHEREFORE, for good cause shown, CWD respectfully requests an Order from the Commission extending to March 19, 2018, the deadline by which it must file its response to the Commission's request for information which remains outstanding.

Dated this 9th day of March, 2018.

Respectfully submitted,

Mark David Goss
