In the Matter of:

A WHOLLY OWNED SUBSIDIARY OF BLUE RIDGE	)	CASE NO.
MOUNTAIN RESOURCES, INC., AND SENTRA	)	2018-00107
RESOURCES LLC FOR THE TRANSFER AND	)	
ACQUISITION OF STOCK AND FINANCING	)	

ORDER

On April 25, 2018, Sentra Resources LLC (“Sentra Resources”) filed a petition pursuant to KRS 61.878(1)(a), (1)(c)(1), and (1)(c)(2), and 807 KAR 5:001, Section 13, requesting that materials filed in response to Commission Staff’s First Request for Information (“Staff’s First Request”), Item 9, be afforded confidential treatment for an indefinite period of time. The designated materials contain the current personal financial statements for Wesley Dustin Cleary, Dan Bryant, and Randy Darren Cleary.

In support of its petition, Sentra Resources contends that the financial statements contain information of a personal nature and are exempt from public disclosure under KRS 61.878(1)(a), which prohibits public disclosure of information which “would constitute a clearly unwarranted invasion of privacy.” Sentra Resources further contends that the open disclosure of the personal financial statements would give the competitors of Wesley Dustin Cleary, Dan Bryant, and Randy Darren Cleary an unfair commercial advantage.

Having carefully considered the petition and the materials at issue, the Commission finds that the designated materials are of a personal nature where the public disclosure thereof would constitute a clearly unwarranted invasion of personal privacy,

and are generally recognized as confidential or proprietary, and therefore meet the criteria for confidential treatment and are exempted from public disclosure pursuant to KRS 61.878(1)(a), KRS 61.878(1)(c)(1), and 807 KAR 5:001, Section 13.

The materials for which Sentra Resources seeks confidential treatment are records that are generally recognized as confidential or proprietary, and which, if openly disclosed, would permit an unfair commercial advantage to competitors, and therefore meet the criteria for confidential treatment and are exempted from public disclosure pursuant to KRS 61.878(1)(c)(1) and 807 KAR 5:001, Section 13.

IT IS THEREFORE ORDERED that:

1. Sentra Resources' motion for confidential protection for designated material contained in the response to Staff's First Request, Item 9 is granted.
2. The designed materials shall not be placed in the public record or made available for public inspection for an indefinite period of time, or until further Orders of this Commission.
3. Use of the materials in question in any proceeding shall be in compliance with 807 KAR 5:001, Section 13(9).
4. Sentra Resources shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment.
5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order, Sentra Resources shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Sentra Resources is unable

to make such demonstration, the requested materials shall be made available for inspection.

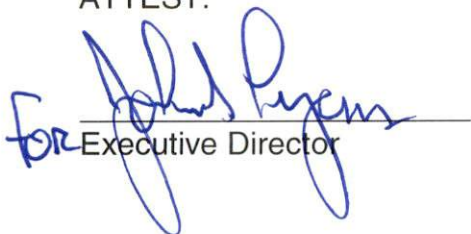

6. The Commission shall not make the requested materials available for inspection for 20 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow Sentra Resources to seek a remedy afforded by law.
