**MOTION FOR DEVIATION**

---

Comes now Inter-County Energy Cooperative Corporation (“Inter-County”), by counsel, and hereby moves the Commission for an Order granting Inter-County a deviation from the customer notice requirements contained in 807 KAR 5:001 Section 17.

In support of this Motion, Inter-County states that while preparing the proof of publication filing for this matter, it was realized that the customer notice was not printed in the June edition of *Kentucky Living* magazine. Since customer notice was only published in the Danville Advocate Messenger and the Lebanon Enterprise, notice of the rate increase has not been adequately given to all of Inter-County’s customers. Inter-County has confirmed that the customer notice will be in the August edition of *Kentucky Living*, which will be placed in the mail to Inter-County’s members on or about July 28, 2018.

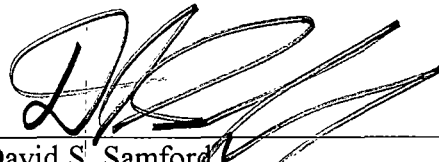

In addition, Inter-County seeks a deviation for the publication of notice and a link to the Commission’s website. Inter-County had the notice ready to be included on the website but the filing date of the Application was postponed. When the Application was filed, posting notice on Inter-County’s website was overlooked. Customer notice along with a link to the Commission’s website have now been included on Inter-County’s website, as of July 2, 2018, and will remain included until such time as the Commission issues a final decision in this matter.

In further support of this motion Inter-County states that no time concerns nor other similar prejudice would result from this request since there are presently no intervenors and Inter-County would not oppose a sixty-day extension of the suspension period for rates to be placed into effect. This sixty-day extension of the suspension period will benefit members by delaying the time any increase would need to be paid by the members. Granting the deviation will also save the time and expense of preparing and filing a new general rate case in order to correct the notice deficiencies.

WHEREFORE, for good cause shown, Inter-County respectfully requests an Order from the Commission granting a deviation from the customer notice requirements contained in 807 KRS 5:001 Section 17.

This 13<sup>th</sup> day of July, 2018.

Respectfully submitted,
