In the Matter of:

APPLICATION OF INTER-COUNTY ENERGY)
COOPERATIVE CORPORATION FOR A GENERAL) Case No. 2018-00129
ADJUSTMENT OF EXISTING RATES)

MOTION FOR AN EXTENSION OF TIME

Comes now Inter-County Energy Cooperative Corporation (“Inter-County”), by counsel, and hereby moves the Commission for an Order extending the deadline by which Inter-County must file its Response to Commission Staff’s Fourth Request for Information propounded in the above-styled matter on October 8, 2018. Specifically, Inter-County requests that it be allowed an additional seven (7) days, until Monday, October 22, 2018 to file its Responses.

In support of this Motion, Inter-County states that persons responsible for providing the information needed to adequately respond to the requests are out of the office and unavailable the remainder of this week. Inter-County believes its brief, requested extension is reasonable, will not result in undue delay, and is essential to ensure appropriate and adequate responses are thoroughly prepared and finalized.

In further support of this motion Inter-County states that no time concerns nor other similar prejudice would result from this request since there are presently no intervenors in the case.

WHEREFORE, for good cause shown, Inter-County respectfully requests an Order from the Commission extending to Monday, October 22, 2018, the deadline by which Inter-County must file its Responses to Commission Staff’s Fourth Request for Information.

This 10th day of October, 2018.

Respectfully submitted,

David S. Samford
