Re: *In the Matter of: Notice of Termination of Contracts and Application of Big Rivers Electric Corporation for a Declaratory Order and for Authority to Establish a Regulatory Asset—Case No. 2018-00146*

Dear Ms. Pinson:

Enclosed for filing on behalf of Big Rivers Electric Corporation are (i) an original and ten copies of certain workpapers, which were used in the development of Dr. Metin Celebi's testimony and report filed with Big Rivers' application in this matter; (ii) an original and ten copies of a motion for deviation; (iii) an original and ten copies of a petition for confidential treatment; (iv) an original and ten copies of a public CD containing additional workpapers, some of which are being provided only electronically as explained in the motion for deviation; and (v) a CD marked confidential that is being submitted pursuant to the petition for confidential treatment and the motion for deviation.

Dr. Celebi's workpapers are being provided to assist the Public Commission Service in its review of Big Rivers' application. In addition to the workpapers being filed with this letter, Dr. Celebi also relied on Big Rivers' 2017 Integrated Resource Plan, which Big Rivers filed with the Commission in Case No. 2017-00384.

There are no other parties to this proceeding upon whom copies of these documents must be served. Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "TK", is written over a light blue circular stamp.

4 **MOTION FOR DEVIATION**

5 1. Big Rivers Electric Corporation (“Big Rivers”) hereby moves the Kentucky
6 Public Service Commission (“Commission”) for a deviation from (i) the requirement in 807
7 KAR 5:001 Section 7(1) that Big Rivers file an original and ten copies of all papers filed with the
8 Commission; and (ii) the requirements in 807 KAR 5:001 Section 13(2)(a)(3) that Big Rivers file
9 one paper copy of material containing confidential information submitted under a petition for
10 confidential treatment and ten paper copies of that material with the confidential information
11 redacted.

12 2. Big Rivers is filing with this motion certain workpapers, which are being
13 provided only electronically, on either the public CD or the confidential CD accompanying this
14 filing. The workpapers on the confidential CD are being filed pursuant to the accompanying
15 petition for confidential treatment. The confidential and public workpapers consist of Excel
16 spreadsheets and are being provided electronically so that the Commission will have the Excel
17 files with formulas intact.

18 3. The workpapers that are being provided electronically only are voluminous. If
19 printed, the two files on the public CD that are being filed only electronically would exceed 8700
20 and 1800 pages. As such, Big Rivers requests a deviation from the requirement to provide an

1 original and ten copies of these documents. The workpapers in the other file on the public CD
2 are also provided in hardcopy and so no deviation is required for that file.

3 4. If printed, the files on the confidential CD would exceed 8600, 8200, 2700, 850,
4 and 750 pages. As such, Big Rivers requests a deviation from the requirement to provide a
5 confidential paper copy of these documents. Further, since these documents are spreadsheets,
6 Big Rivers cannot redact the confidential material from those files without making other cells in
7 the spreadsheet unusable, and Big Rivers requests a deviation from the requirement to provide
8 ten paper copies of these documents with the confidential material redacted.

9 WHEREFORE, Big Rivers respectfully requests that the Commission enter an order
10 granting a deviation to Big Rivers from the above requirements.

11 On this the 4th day of May, 2018.

12 Respectfully submitted,

13

NOTICE OF TERMINATION OF CONTRACTS)
AND APPLICATION OF BIG RIVERS)
ELECTRIC CORPORATION FOR A) Case No.
DECLARATORY ORDER AND FOR) 2018-00146
AUTHORITY TO ESTABLISH A)

4 **PETITION FOR CONFIDENTIAL TREATMENT**

5 1. Big Rivers Electric Corporation (“Big Rivers”) hereby petitions the Kentucky
6 Public Service Commission (“Commission”), pursuant to 807 KAR 5:001 Section 13 and KRS
7 61.878, to grant confidential protection to the workpapers Big Rivers is filing with this petition.
8 The information Big Rivers seeks to protect as confidential consists of the workpapers used in
9 the development of Dr. Metin Celebi’s testimony and report that Big Rivers filed with its
10 application in this matter.

11 2. The workpapers contain sensitive and confidential information provided by Big
12 Rivers, including projections of coal and other fuel prices, emission allowance prices, other fixed
13 and variable operation and maintenance (“O&M”) costs, unit start-up and mill cycle costs,
14 capital project costs; and information relating to projected unit generation and availability.

15 3. The workpapers that contain confidential information are also the product or the
16 inputs into the product of a study performed on behalf of Big Rivers to determine the economic
17 viability of the Station Two generating plants. The detailed confidential inputs and results of this
18 study constitute key internal strategic planning information, and as such, the entirety of the files
19 containing this information is confidential. The Commission has consistently recognized that
20 such internal strategic planning information and related materials are entitled to confidential

1 treatment, as these documents typically relate to the company's economic status and business
2 strategies. Information such as this which bears upon a company's detailed inner workings is
3 generally recognized as confidential or proprietary. *See, e.g., Hoy v. Kentucky Indus.*
4 *Revitalization Authority*, 907 S.W.2d 766, 768 (Ky. 1995) ("It does not take a degree in finance
5 to recognize that such information concerning the inner workings of a corporation is 'generally
6 recognized as confidential or proprietary'"). Additionally, the Commission has previously
7 granted confidential treatment to similar information. *See, e.g., In the Matter of: Application of*
8 *Big Rivers Electric Corporation for a General Adjustment in Rates*, Order, P.S.C. Case No.
9 2012-00535 (April 25, 2013) (granting confidential treatment to internal strategic documents
10 such as valuation analyses); *In the Matter of: The Applications of Big Rivers Electric*
11 *Corporation for (1) Approval of Wholesale Tariff Additions for Big Rivers Electric Corporation;*
12 *(2) Approval of Transactions; (3) Approval to Issue Evidences of Indebtedness; and (4) Approval*
13 *of Amendments to Contracts; and of E.On U.S., LLC, Western Kentucky Energy Corp. and*
14 *LG&E Energy Marketing Inc. for Approval of Transactions*, Letter, P.S.C. Case No. 2007-00455
15 (April 29, 2008) (granting confidential treatment to reports analyzing terms and conditions of
16 fuel, transportation and reagent contracts; and information relating to the operation and
17 maintenance of Henderson's generating plants).

18 4. Additionally, as noted in the accompanying motion for deviation, the confidential
19 workpapers are being provided electronically on the confidential CD filed with this petition. The
20 information in these files is inextricably intertwined, and Big Rivers is unable to redact only
21 some of the information from the electronic spreadsheet files without making other cells in the
22 spreadsheets unusable or breaking the formulas contained therein. The accompanying motion

1 for deviation seeks a deviation from the requirement that Big Rivers file paper confidential and
2 redacted copies of the confidential electronic files.

3 5. The information Big Rivers seeks to protect as confidential is hereinafter referred
4 to as the “Confidential Information.”

5 6. There are no other parties who are entitled to be served with a copy of the petition
6 or a copy of the redacted pages. 807 KAR 5:001 Section 13(2)(b)

7 7. If and to the extent the Confidential Information becomes generally available to
8 the public, whether through filings required by other agencies or otherwise, Big Rivers will
9 notify the Commission and have the information’s confidential status removed. 807 KAR 5:001
10 Section 13(10)(b).

11 8. As discussed below, the Confidential Information is entitled to confidential
12 protection based upon KRS 61.878(1)(c)(1), which protects “records confidentially disclosed to
13 an agency or required by an agency to be disclosed to it, generally recognized as confidential or
14 proprietary, which if openly disclosed would permit an unfair commercial advantage to
15 competitors of the entity that disclosed the records.” KRS 61.878(1)(c)(1); 807 KAR 5:001
16 Section 13(2)(a)(1).

17 **I. Big Rivers Faces Actual Competition.**

18 9. Big Rivers, as a participant in the credit markets and the wholesale power
19 markets, faces economic competition from other entities.

20 10. Big Rivers competes in the wholesale power market to sell energy it produces in
21 excess of its members’ needs. Big Rivers’ ability to successfully compete in the wholesale
22 power market is dependent upon a combination of its ability to negotiate the maximum price for
23 the power sold and its ability to keep its cost of production as low as possible. If Big Rivers’

1 cost of producing a kilowatt-hour of energy increases, its ability to sell that kilowatt-hour in
2 competition with other utilities is adversely affected.

3 11. Big Rivers also competes for reasonably priced credit in the credit markets, and
4 its ability to compete is directly impacted by its financial results. Any event that adversely
5 affects Big Rivers' margins will adversely affect its financial results and potentially impact the
6 price it pays for credit. As was described in the proceeding before this Commission in the Big
7 Rivers Unwind Transaction, Big Rivers expects to be in the credit markets on a regular basis in
8 the future.¹

9 12. As is evidenced by these economic pressures, Big Rivers faces actual competition
10 from other market participants in the wholesale power and credit markets.

11 **II. The Confidential Information is Generally Recognized as Confidential or**
12 **Proprietary.**

13 13. The Confidential Information for which Big Rivers seeks confidential treatment
14 under KRS 61.878(1)(c)(1) is generally recognized as confidential or proprietary under Kentucky
15 law.

16 14. Public disclosure of the Confidential Information would provide insight into Big
17 Rivers' cost of producing power; Big Rivers' availability and need for power; the prices at which
18 Big Rivers is willing to buy or sell power, fuel, emission allowances, and other items; and the
19 amounts Big Rivers is willing to pay for capital projects. The information is also indicative of
20 the market conditions Big Rivers expects to encounter and its ability to compete with
21 competitors.

¹ See *In the Matter of: Joint Application of Big Rivers, E.ON, LG&E Energy Marketing, Inc., and Western Kentucky Energy Corporation for Approval to Unwind Lease and Power Purchase Transactions*, Order, P.S.C. Case No. 2007-00455 (March 6, 2009), pages 27-30 and 37-39.

1 15. As noted above, information such as this which bears upon a company’s detailed
2 inner workings is generally recognized as confidential or proprietary. *See, e.g., Hoy*, 907 S.W.2d
3 at 768; *Marina Management Servs. v. Cabinet for Tourism, Dep’t of Parks*, 906 S.W.2d 318, 319
4 (Ky. 1995) (unfair commercial advantage arises simply from “the ability to ascertain the
5 economic status of the entities without the hurdles systemically associated with the acquisition of
6 such information about privately owned organizations”). Moreover, the Commission previously
7 granted confidential treatment to this type of information. *See, e.g., In the Matter of: Application*
8 *of Big Rivers Electric Corporation for a General Adjustment in Rates*, Order, P.S.C. Case No.
9 2012-00535 (April 25, 2013); *In the Matter of: Application of Big Rivers Electric Corporation*
10 *for a General Adjustment in Rates*, Order, P.S.C. Case No. 2012-00535 (August 14, 2013); *In the*
11 *Matter of: Application of Big Rivers Electric Corporation for Approval of its 2012*
12 *Environmental Compliance Plan, for Approval of its Amended Environmental Cost Recovery*
13 *Surcharge Tariff, for Certificates of Public Convenience and Necessity, and for Authority to*
14 *Establish a Regulatory Account*, Letter, P.S.C. Case No. 2012-00063 (August 15, 2012); P.S.C.
15 Administrative Case No. 387, Letter (July 20, 2010).

16 16. The Confidential Information is not publicly available, is not disseminated within
17 Big Rivers except to those employees and professionals with a legitimate business need to know
18 and act upon the information, and is not disseminated to others without a legitimate need to
19 know and act upon the information.

20 17. Accordingly, the information for which Big Rivers seeks confidential treatment is
21 recognized as confidential or proprietary under Kentucky law and is entitled to confidential
22 protection as further discussed below.

1 The Commission also implicitly accepted ULH&P's further argument that the higher bids would
2 lessen ULH&P's ability to compete with other gas suppliers. *Id.* Similarly, potential fuel,
3 allowance, and power suppliers and buyers manipulating Big Rivers' bidding process would lead
4 to higher costs or lower revenues to Big Rivers and would place it at an unfair competitive
5 disadvantage in the wholesale power market and credit markets.

6 20. Additionally, public disclosure of the Confidential Information would give the
7 power producers and marketers with which Big Rivers competes in the wholesale power market
8 insight into Big Rivers' cost of producing power and availability of power. Knowledge of this
9 information would give those power producers and marketers an unfair competitive advantage
10 because they could use that information to potentially underbid Big Rivers in wholesale
11 transactions.

12 21. Thus, public disclosure of the Confidential Information would permit an unfair
13 competitive advantage to Big Rivers' competitors.

14 **IV. Time Period**

15 22. Big Rivers requests that the Confidential Information remain confidential for a
16 period of five years from the date of this petition, at which time the Confidential Information will
17 be sufficiently outdated so that it could not be used to competitively disadvantage Big Rivers.
18 807 KAR 5:001 Section 13(2)(a)(2).

19 **V. Conclusion**

20 23. Based on the foregoing, the Confidential Information is entitled to confidential
21 protection. If the Commission disagrees that Big Rivers is entitled to confidential protection, due
22 process requires the Commission to hold an evidentiary hearing. *See Utility Regulatory Comm'n*
23 *v. Kentucky Water Serv. Co., Inc.*, 642 S.W.2d 591 (Ky. App. 1982).

1 WHEREFORE, Big Rivers respectfully requests that the Commission classify and protect
2 as confidential the Confidential Information.
