RE: Proposed Purchase Water Adjustment

To Whom It May Concern:

The West Shelby Water District respectfully requests that the Public Service Commission allow us to make an adjustment of our rates in accordance with 807 KAR 5:068 Purchased Water Adjustments for Water Districts.

Our supplier, The Louisville Water Company (LWC), informed the District on 04-02-2018, that there will be an increase in their wholesale water rates, which will become effective July 1, 2018. The rate increase was discussed and voted on in West Shelby's April Commission meeting held at 137 Citizens Boulevard in Simpsonville.

The following documents are enclosed:

- Exhibit A: Purchase Water Adjustment Application for Water District Form 1
- Exhibit B: Listing of the District's current and proposed rates
- Exhibit C: Supplier's notice given to the District
- Exhibit D-F: Supporting documents used to complete PWA-Form
- Exhibit G: Resolution Approving PWA by Commissioners

If you have any questions, please contact me at 502-722-8944.

Yours truly,

Lisa M. Didier,
Executive Administrator
