

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF WATER)
SERVICE CORPORATION OF KENTUCKY FOR A) CASE NO.
GENERAL ADJUSTMENT IN EXISTING RATES) 2018-00208

ORDER

On July 5, 2018, Water Service Corporation of Kentucky (Water Service Kentucky) filed an application for an adjustment of its rates for water service. The application proposed that the new rates become effective on August 4, 2018.

Having reviewed Water Service Kentucky's application, the Commission finds that Water Service Kentucky's application meets the minimum filing requirements and should be deemed filed as of the date of this Order. KRS 278.180(1) provides that no change shall be made in any rate except upon 30-days' notice to the Commission. Although Water Service Kentucky's revised tariff pages contain a proposed effective date of August 4, 2018, pursuant to the 30-days' notice requirement and based on the July 5, 2018 filed date, the earliest possible effective date for Water Service Kentucky's proposed rates is August 6, 2018. Based on a review of the application, the Commission further finds that an investigation will be necessary to determine the reasonableness of the proposed rates and the investigation cannot be completed by August 6, 2018. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed rates for five months and establish a schedule for review of the proposed rates.

IT IS THEREFORE ORDERED that:

1. The proposed rates set forth in Water Service Kentucky's application are suspended for five months from August 6, 2018, up to and including January 7, 2019.

2. The procedural schedule set forth in Appendix A to this Order shall be followed.

3. The information requested herein is due on or before July 27, 2018.

a. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with an original in paper medium and an electronic version to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails to furnish all or part of the requested information that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. When filing a paper containing personal information, Water Service Kentucky shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

4. Any party filing testimony shall file in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8, with one copy in paper medium to the Commission.

5. Any person who submits a motion to intervene after July 28, 2018, and upon a showing of good cause is granted full intervention, shall accept and abide by the existing procedural schedule.

6. Water Service Kentucky shall give notice of the hearing in accordance with the provisions set out in 807 KAR 5:001, Section 9(2)(b). At the time publication is requested, Water Service Kentucky shall forward a duplicate of the notice and request to the Commission.

7. At any hearing in this matter, neither opening statements nor summarization of written testimony shall be permitted.

8. Any objections or motions relating to discovery or procedural dates shall be filed upon four business days' notice or the filing party shall explain, in writing, why such notice was not possible.

9. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

10. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
