APPLICATION OF THE FUEL ADJUSTMENT)	CASE NO.
CLAUSE OF BIG RIVERS ELECTRIC)	2018-00221
CORPORATION FROM NOVEMBER 1, 2017)	
THROUGH APRIL 30, 2018)	

ORDER

The Commission, on August 10, 2018, and pursuant to 807 KAR 5:056, established this proceeding to review the fuel adjustment clause of Big Rivers Electric Corporation (BREC) for the period from November 1, 2017, through April 30, 2018. The Commission, pursuant to 807 KAR 5:056, Section 1(11), must, at six-month intervals, conduct public hearings on a utility's past fuel adjustments and, in compliance with this regulation, scheduled a public hearing in the instant case for October 9, 2018, at the Commission's offices. The obligation to hold a hearing is mandatory under the regulation.

The Commission, having reviewed the responses to requests for information, pre-filed testimony, and other evidence submitted to the Commission, has determined that neither it nor Commission Staff will have any questions for BREC's witnesses at the October 9, 2018 hearing scheduled in this matter. Therefore, the Commission finds that, while BREC is required appear at the October 9, 2018 hearing, the attendance of its witnesses is unnecessary.

Based upon the foregoing, IT IS THEREFORE ORDERED that BREC's witnesses are excused from the October 9, 2018 hearing and do not need to attend.
