RE: Grayson Rural Electric Cooperative Corporation
Case No. 2018-00272 - Filing Deficiency

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reason set forth below.

Filing deficiency pursuant to:

- (1) 807 KAR 5:001: Section 16 (1) (b) (5)** – A statement that notice has been given in compliance with Section 17 of this administrative regulation, with a copy of the notice. 807 KAR 5:001, Section 17 requires certain notice to be provided at specific times, including notice that must be provided no later than the date the application is submitted to the Commission. The application, at paragraph 9, states that customers “will be” notified, but makes no mention of notice provided at or before filing of the application. Additionally, a review of Applicant’s website failed to discover a copy of Applicant’s public notice, as required. Applicant should certify that 807 KAR 5:001, Section 16 (1) (b) (5) and Section 17 have been fully complied with.

You are requested to submit the information necessary to cure the deficiency within 10 days of the date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Gwen R. Pinson
