To Whom It May Concern:

Thank you so much for your help to keep Smart Meters out of Louisville!!!

Would you please help us again? LG&E is wanting to raise our residential electric bill 7.5% and our residential gas bill 12.2%.

The enclosed notice was with my gas and electric bill this month. I don't see a good reason for the increase.

I am a 74-year old widow and homeowner. I hope that I won't have to pay so much more each month for such a Necessary Expense!

Thank you so much for your consideration in this matter!!!

Sincerely,
Sharon L. Wood
