PUBLIC SERVICE  
COMMISSION

To Louisville Gass and Electric

Penny Voy Allmen  
4506 Running Spring Ct  
Louisville KY 40241.

I am an all electric customer,  
I have a geo-therm furnace,  
I spend a lot on that,  
I did that because I am retired  
and I wanted smaller bills to  
pay, and for conservation.  
I do not mind helping but  
not that much.

Thank you

Penny Voy Allmen

P.S. I was out of town  
when I got the ~~bad~~ information
