Case Number (check one):

For LG&E customers, the rate case is Case #2018-00295.

For KU customers, the rate case is Case #2018-00294.

Write your personal message here:

Utilities have a right to a return on their investment, but this particular rate structure puts a disincentive on conservation and renewable energy.

Frankfort, KY 40602

All Kentuckians need and deserve affordable and clean energy. This rate case moves us in the wrong direction. The LG&E and KU plan is bad for consumers, harmful to people on low and fixed incomes, and damaging to energy efficiency and rooftop solar. Kentuckians deserve so much better than this. The KY Public Service Commission must open up its public process and reject this rigged deal.
