**Morgan County Water District
Regular Board Meeting
Monday, July 9, 2018**

The regular monthly meeting of the Morgan County Water District was held on Monday, July 9, 2018 beginning at 4:30 p.m. at the office. The following were in attendance: Board Members: Kyle Risner, Zach Engle, Shannon Elam, and Angie Elliott; MCWD Staff: Steve Pelfrey and Chernell Holbrook.

Kyle Risner called the meeting to order and welcomed all present. At 4:30 p.m. Mr. Risner called for a motion to approve and accept the minutes from June 5 and June 11, 2018. After the board reviewed the minutes, Zach Engle made a motion to approve the minutes. The motion was seconded by Shannon Elam. Motion Carried.

First item discussed on the agenda was the AML Progress update. L&L Contracting met with AML and they decided the project could not be closed until the punch list was completed. The Board decided they would close the project at the August meeting. Steve Pelfrey informed the Board that there was a problem with the telemetry system. Micro Com sent an invoice of \$4,475.00 to come and fix the problem with the antennas. Steve Pelfrey told the Board that he has been unable to make contact with the gas company for the generator. Steve has also spoke with the City about getting gas ran out to the generator.

Second item on the agenda was the PSC rate increase. We have sent a letter to the PSC requesting to use the remaining percentage for an increase. We are still

waiting to hear back from them. The Board asked that we table it until meeting next month.

Third item on the agenda was Morris Cemetery Road. We had three visitors from Morris Cemetery. They explained to the Board that they had not had any water since July 4th. Mr. Ferguson told the Board that the problem started at least six months ago. He told the Board that the water was pumping up out of the ground. Kyle Risner asked Mr. Ferguson if he would look for those leaks with Steve Pelfrey. Steve Pelfrey told the Board that it would take at least 3,000 feet of water line to replace the whole line. Steve estimated that they could replace the line for approximately \$2,500 and if a contractor did, it could cost up to \$3,000 to \$4,000. Kyle Risner told the visitors that we would start by fixing the big leaks on the line, in hopes of giving them some water pressure. The Board asked if we could put this on the agenda for next month.

Fourth item on the agenda was the past due accounts. Steve Pelfrey and Chernell Holbrook told the Board that they had not had a chance to look back through the accounts. Kyle Risner asked if we could talk to Myles Holbrook to see if he would be interested in pursuing these accounts for us.

Fifth item on the agenda was the new employee update. Steve Pelfrey informed the Board that his new employee was not working out. The Board gave Steve permission to do whatever he needed to. Kyle asked Chernell to call Myles to see if we had to run another ad for the position.

OLD BUSINESS:

Update on water loss: The water loss reports will be email at a later time. Steve Pelfrey informed the Board that the water usage with the City was down and Cave Run looked better. Steve also told the Board that we were going to talk with the Fire Chiefs about getting their reports in on time.

Profit and Loss reports were given to the board members for review. There were no questions.

Lastly, invoices were given to each board member for review and approval. Kyle Risner called for a motion to approve the invoices. Shannon Elam made a motion, which was seconded by Angie Elliott. Motion carried.

Handouts which were given to the board for their review included a list of savings accounts, checking accounts, cut off list, and new meter setting list. Also, for the boards review was a copy of the billing register's total page.

OTHER:

Steve Pelfrey told the Board about the Rural Water Conference, August 27-29th. Kyle Risner told the Board about the benefits they could learn if they attended.

Steve Pelfrey asked the Board is he could go ahead and buy the excavator off of Dwight Keeton. Shannon Elam made a motion to purchase the excavator and trailer in the amount of \$26,500. The motion was seconded by Angie Elliott. The motion had one nay, Zach Engle. The motion carried by majority.

Steve Pelfrey told the Board that we may want to look at getting a new Engineer, but to wait until they helped us with the PSC. The Board agreed to look in the future.

Steve Pelfrey informed the Board that we may be going back to Frankfort due to violations. Steve has moved one of the flushing units to the area with the problem.

The board agreed on the next monthly meeting to be on August 13, 2018. With there being no further business to come before the board, motion made by Shannon Elam and seconded by Angie Elliott to adjourn the meeting. Motion Carried.
