RE: Case No. 2018-00387
ARF Application - Water Rates

Dear Ms. Pinson:

Enclosed for filing are the original and five (5) copies of a revised Customer Notice for the referenced case. After the application was filed, we found there were errors in the existing and proposed average bills for 4,000 gallons per month and the dollar amount increase of the proposed bill. Those three figures are now corrected in the revised Customer Notice.

A copy of this letter with enclosure has been provided to the Office of Rate Intervention in the Attorney General's Office.

Yours truly,

Jon Blalock
Superintendent
