

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT FILING OF)	CASE NO.
WEST SHELBY WATER DISTRICT)	2019-00189

ORDER

On June 6, 2019, West Shelby Water District (West Shelby District) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.¹

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. West Shelby District purchases water from the Louisville Water Company (Louisville Water) and Shelbyville Municipal Water System (Shelbyville).
2. Louisville Water notified West Shelby District that its wholesale water rate to West Shelby District will increase from \$2.30 per 1,000 gallons to \$2.36 per 1,000 gallons and its total monthly service charge will increase from \$531.00 per month to \$551.76 per month effective July 1, 2019.² The rates charged by Shelbyville to West Shelby District did not change. West Shelby District proposes to increase the water rates to its customers effective July 1, 2019, to reflect the increased cost of purchased water.
3. West Shelby District proposed a purchased water adjustment factor of \$0.05 per 1,000 gallons in its application.

¹ KRS 278.015; 807 KAR 5:068.

² TFS2019-00194 (Ky. PSC filed March 29, 2019); the tariff was accepted for filing by the Commission by letter dated June 13, 2019.

4. During the 12 months ended April 30, 2019, West Shelby District purchased 217,234,000 gallons of water from Louisville Water and purchased 81,113,700 gallons of water from Shelbyville. During the same period, West Shelby District sold 276,000,800 gallons of water. The increase in the cost of purchased water is \$13,288.56, resulting in a purchased water adjustment factor of \$0.05 per 1,000 gallons.

5. The purchased water adjustment factor of \$0.05 per 1,000 gallons, as calculated in Appendix A to this Order, is fair, just, and reasonable, and should be approved.

6. West Shelby District's proposed rates should be approved.

7. The rates as set forth in Appendix B to this Order, are fair, just, and reasonable, and should be approved for water service rendered by West Shelby District on and after July 1, 2019.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment factor of \$0.05 per 1,000 gallons is approved.

2. The rates proposed by West Shelby District are approved.

3. The rates as set forth in Appendix B to this Order are approved for water service rendered by West Shelby District on and after July 1, 2019.

4. Within 20 days of the date of entry of this Order, West Shelby District shall file with the Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets showing the rates approved herein.

5. Within 30 days of the date of entry of this Order, West Shelby District shall file with the Commission Proof of Notice pursuant to 807 KAR 5:068, Section 5(3).

6. Any document filed pursuant to ordering paragraph 5 of this Order shall reference the number of this case and shall be retained in the post case correspondence file.

7. This case is closed and removed from the Commission's docket.
