CASE NO. 2019-00375

On October 2, 2019, Tracy Sanders filed a complaint against Green River Valley Water District (Green River Valley District). On January 18, 2022, Green River Valley District filed a motion to dismiss the complaint as satisfied after completing a booster station to service Ms. Sanders's residence. The Commission subsequently entered an Order on February 7, 2022, allowing Ms. Sanders to respond to Green River Valley District's motion. Ms. Sanders responded to the Commission's Order by an email, wherein she stated her complaint has been satisfied.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that Ms. Sanders's complaint should be dismissed as satisfied with prejudice.

IT IS THEREFORE ORDERED that this case is dismissed as satisfied with prejudice and is removed from the Commission's docket.
